*Bleach, Vol. 50* Tite Kubo, 2011-11-21 After a long battle, Ichigo loses his Soul Reaper powers and is now living a quiet and peaceful life. But when a mysterious man named Kugo Ginjo approaches him, Ichigo might have a chance to regain his powers. But what are Ginjo's true motives...? -- VIZ Media

Happiness 6 Shuzo Oshimi, 2017-12-19 A supernatural story of sexual awakening, growing up, and suburban vampirism, Happiness follows a dorky boy who is attacked by a girl in an alley. She sucks his blood and gives him a choice: life or death. He chooses life, but finds himself nearly overwhelmed by a new thirst and a fascination with the necks of his classmates... Praise for *Flowers of Evil*: A shockingly readable story that vividly--one might even say queasily--evokes the fear and confusion of discovering one's own sexuality. Recommended. -The Manga Critic A page-turning tale of sordid middle school blackmail. -Otaku USA Magazine By loving this manga I recognize what a sick and twisted individual I have become. While I can still say that I am not truly deviant, *Flowers of Evil* is a great reminder of my own thirst for power and my own personal corruption. -Otaku Champloo

*Cloud Invasion* Connie Suttle, 2014-12-23 Ilya The rest of us woke after a few days, when it became apparent we'd survived the drug. Even Corinne woke faster the first time. This time, three weeks had passed. I was grateful for the scans and other tests Dr. Farrell ran, indicating she was alive. Still, I was terrified for her. And for me. I

spoke to her often and lately, I begged her to open her eyes. \* \* \* After surviving the drug a second time, Corinne's abilities are put to the test as the enemy steps up his attacks. Will she survive the attempts on her life, as well as betrayal from within? As she struggles to keep the others alive, a new threat arrives—one even the enemy doesn't see coming.

*Treehouses* Elizabeth Kuti, 2000-04-13 A new play from an award-winning playwright, published as part of the innovative Abbey Theatre playscript series On the day of her father's funeral, Eva - a young woman - is still haunted by the betrayal she witnessed from her childhood haven - the treehouse in the garden. On the same day another woman, Magda, relives the ghosts of another hiding place and a different betrayal - ghosts from which she still seeks forgiveness. Interweaving lives and secrets *Treehouses* is a magical tale of refuge, treachery and of love lost and found.
