**I Will Survive** Gloria Gaynor,2014-03-11 I Will Survive is the story of Gloria Gaynor, America's Queen of Disco. It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including Honey Bee, I Got You Under My Skin, Never Can Say Goodbye, and the song that has immortalized her, I Will Survive, which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

**F1 Through the Eyes of Damon Hill** Damon Hill, 1999-02 F1: Through the Eyes of Damon Hill is the dramatic behind-the-scenes story of the world of Formula One racing. It is a story of global proportions, deep human feelings and sporting magnificence which sweeps from the season-opening Australian Grand Prix in Melbourne through to the grand finale in Japan, where the nine-month season ends. In his own words, Hill charts the roller-coaster emotions and excitement of the marathon 16-race Grand Prix circus. He describes the strains, and pressures behind the garage doors; the massive effort required to revive a title challenge with his new Jordan team, the fears and thrills. Brilliantly illustrated, here is the world's fastest, most seductive - and expensive - sport as it really is. From the clamour and glamour of the pit lane to the privacy of the motor home, Damon Hill describes what it feels like to compete with Schumacher, Coulthard, Villeneuve and others for the 1998 Formula One World Championship. This is no 'Diary of a Season' fanzine but an intensely personal, thematic account of the most seductive sport of all - its rivalries the crucial importance of technology, and the pencil-thin margin between the chequered flag and failure.
