Told in a non-linear fashion that asks the reader to piece together the sequence of events to solve the mysteries alongside the characters, Kouhei Kadono's first Boogiepop novel took First Place in Media Works' Dengeki Game Novel Contest in 1997 and ignited the Japanese light novel trend. Today, there are over 2 million Boogiepop novels in print, a feature film and manga adaptation based on the first book, an original manga entitled Boogiepop Dual, and the unforgettable original anime series Boogiepop Phantom.

The Galactic Federal Bureau, an alien race called Arlians, an insane religious cult, and a whacked out cyborg named Locharp also has hopes of taking it. Our heroes must contend with them to successfully retrieve it, but as their efforts begin to pay off they find that there is much more to the diamond than meets the eye. Help Ky, Will and Jina along their galaxy spanning rat race to secure the diamond before all hope is lost and catch your first peek into the world of Rose Star.

Will You Hear It? Savannah Alan, 2013-11-20 As an employee of the U.S. Government for many years, I sometimes tend to regard classified information as simply normal everyday work. But when I saw something that is clearly Bible prophecy being played out right before my very eyes, it definitely got my attention. Often God positions us in specific places at specific times so He can reveal things to us. Will You Hear It contains specific information He revealed to me, and requires that I share it with you. I asked God to clearly show me exactly what He wants me to do with this vital information and then turned to His Word for guidance. Have you ever watched a good movie for the second time and saw something remarkable you missed the first time? That's how it is with God's Word, and I believe there is a reason for that. God points things out to you at exactly the right time for you to use them. You will do well to obey and follow the path He is laying out for you. I began this writing with the intentions of sharing it only with my family and a few close friends. I gave it to those I felt led to and thought, "Okay, I did what God wanted me to do. They can either believe me or ridicule me for it. But it's done." But it wasn't done. God said, "Give it to all who will accept it." I pray God will prepare your hearts and minds to receive this exactly as He intends.

Glamour Job Doug Farrell, 2007-09-21 In Chicago in the late 1990s, goblins, together with their half-human offspring, attempt to take control of the earth. Only a group of fairies, a gnome and a few humans who are aware of the plot stand in their way.

No Longer Human Junji Ito, Ichiro Nakayama, Hirokatsu Kihara, 2019-12-17 Mine has been a life of much shame. I can't even guess myself what it must be to live the life of a human being. Plagued by a maddening anxiety, the terrible disconnect between his own concept of happiness and the joy of the rest of the world, Yozo Oba plays the clown in his dissolute life, holding up a mask for those around him as he spirals ever downward, locked arm-in-arm with death. Osamu Dazai's immortal—and

supposedly autobiographical—work of Japanese literature, is perfectly adapted here into a manga by Junji Ito. The imagery wrenches open the text of the novel one line at a time to sublimate Yozo's mental landscape into something even more delicate and grotesque. This is the ultimate in art by Ito, proof that nothing can surpass the terror of the human psyche. -- VIZ Media
