**Achtung-Panzer!** Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

**Notes from the Hyena's Belly** Nega Mezlekia,2015-04-07 In this acclaimed memoir, Mezlekia recalls his boyhood in the arid city of Jijiga, Ethiopia, and his journey to manhood during the 1970s and 1980s. He traces his personal evolution from child to soldier--forced at the age of eighteen to join a guerrilla army. And he describes the hardships that consumed Ethiopia after the fall of Emperor Haile Selassie and the rise to power of the communist junta, in whose terror thousands of Ethiopians died. Part autobiography and part social history, Notes from the Hyena's Belly offers an unforgettable portrait of Ethiopia, and of Africa, during the defining and turbulent years of the last century.

**Typographic Systems of Design** Kimberly Elam,2007-05-03 Typographic organization has always been a complex system in that there are so many elements at play, such as hierarchy, order of reading, legibility, and contrast. **If Anything Happens I Love You** Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from "above" as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose's soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a story about loss, but in it we see ourselves--in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

*Flim-Flam Man* Jennifer Vogel,2010-06-15 Major motion picture Flag Day starring Sean Penn and his daughter Dylan Penn is based on this father-daughter story of a charming criminal—told by the daughter who loved him. One frosty winter morning in 1995, Jennifer Vogel opened the newspaper and read that her father had gone on the run. John Vogel, fifty-two, had been arrested for single-handedly counterfeiting nearly \$20 million in U.S. currency—the fourth-largest sum ever seized by federal agents—and then released pending trial. Though Jennifer hadn't spoken to her father in more than four years, the police suspected he might turn up at her Minneapolis apartment. She examined the shadows outside her building, thought she spotted him at the grocery store and the bus stop. He had simply vanished. Framed around the six months her father eluded authorities, Jennifer's memoir documents the police chase—stakeouts, lie detector tests, even a segment on Unsolved Mysteries—and vividly chronicles her tumultuous childhood while examining her father's legacy. A lifelong criminal who robbed banks, burned down buildings, scammed investors, and even plotted murder, John Vogel was also a hapless dreamer who wrote a novel, baked lemon meringue pies, and took his ten-year-old daughter to see Rocky in an empty theater on Christmas Eve. When it came time to pass his counterfeit bills, he spent them at Wal-Mart for political reasons. Culling from memories, photo albums, public documents, and interviews with the handful of people who knew the real John Vogel, this is an intimate and intensely moving psychological portrait of a charismatic, larger-than-life figure—as told by the daughter who nearly followed in his footsteps.
