**Between Two Thorns** Emma Newman,2016-03-20 "JK Rowling meets Georgette Heyer" in this series debut, a scintillating fusion of urban fantasy and court intrigue from the Hugo Award-winning author (The Guardian). Between Mundanus, the world of humans, and Exilium, the world of the Fae, lies the Nether, a mirror-world where the social structure of 19th-century England is preserved by Fae-touched families who remain loyal to their ageless masters. Born into this world is Catherine Rhoeas-Papaver, who escapes it all to live a normal life in Mundanus, free from her parents and the strictures of Fae-touched society. But now she's being dragged back to face an arranged marriage, along with all the high society trappings it entails. Crossing paths with Cathy is Max, an Arbiter of the Split Worlds treaty with a dislocated soul who polices the boundaries between the worlds, keeping innocents safe from the Fae. After a spree of kidnappings and the murder of his fellow Arbiters, Max is forced to enlist Cathy's help in unravelling a high-profile disappearance within the Nether. Getting involved in the machinations of the Fae, however, may prove fatal to all involved. "Between Two Thorns shows the darkness beneath the glamour of the social Season. Learning to be a young lady has never seemed so dangerous."—Mary Robinette Kowal, Hugo and Nebula Award-winning author of the Lady Astronaut series "Emma Newman has built a modern fantasy world with such élan and authority her ideas of why and how the seemingly irrational world of Fairy works should be stolen by every other writer in the field . . . This book of wonders is first rate."—Bill Willingham, Eisner Award-winning author of Fables

**A Call to Mercy** Mother Teresa,2018-09-04 Published to coincide with Pope Francis's Year of Mercy and the Vatican's canonization of Mother Teresa, this new book of unpublished material by a humble yet remarkable woman of faith whose influence is felt as deeply today as it was when she was alive, offers Mother Teresa's profound yet accessible wisdom on how we can show mercy and compassion in our day-to-day lives. For millions of people from all walks of life, Mother Teresa's canonization is providentially taking place during Pope Francis's Extraordinary Jubilee of Mercy. This is entirely fitting since she is seen both inside and outside of the Church as an icon of God's mercy to those in need. Compiled and edited by Brian Kolodiejckuk, M.C., the postulator of Mother Teresa's cause for sainthood, A Call to Mercy presents deep yet accessible wisdom on how we can show compassion in our everyday lives. In her own words, Mother Teresa discusses such topics as: the need for us to visit the sick and the imprisoned the importance of honoring the dead and informing the ignorant the necessity to bear our burdens patiently and forgive willingly the purpose to feed the poor and pray for all the greatness of creating a "civilization of love" through personal service to others Featuring never before published testimonials by people close to Mother Teresa as well as prayers and suggestions for putting these ideas into practice, A Call to Mercy is not only a lovely keepsake, but a living testament to the teachings of a saint whose ideas are important, relevant and very necessary in the 21st century.

She might just have to be satisfied mingling with the Hunting Hills moms, who like to borrow their daughters' Seven jeans and their sons' Ritalin. That is, until scandal threatens to shatter the stylish facade of this exclusive gated community—and behind the salon highlights and sunlamp tans, true colors start shining through....
