Mod Scandi Holiday Bird Cut-N-Make Book ANNEKE. LIPSANEN, 2018-09-28 The Anni Arts

printable crafts are now available in a Cut-n-Make Book. Easy, pre-printed paper crafts in full colour are ready to cut, glue and make. No need to print! Stylized and Mod Scandi Holiday Bird clip art in the spirit of playful mid-century designs are on paper crafts like handmade cards, little gift bags, choc wrappers and decor for 'Jul' celebrations. A folksy bird is joined by 60's daisies, hearts and a decorative tree and angel. The popular contemporary look that is broadly referred to as folksy Scandi style, goes back to illustrations of the 60's and 70's. Designers in Scandinavia were inspired by traditional Scandinavian folk art and reinterpreted motifs for a bold, colourful and updated folk look. The crafts have instructions on the printed pages themselves, and there is a section with general instructions and tips too. However, the crafts are so easy that non-English crafters will also be able to make them without the need for the instructions. Only the most basic craft equipment is needed: scissors, glue, a paper scorer and hole punch are sufficient. The crafts are beautifully designed to form a coordinated series and small elements can be applied in a mix and match manner. There are free printable downloads too, with further items that coordinate with the designs in the book (there are always items that didn't fit in the book). Follow the link in the book for an additional envelope, wrapping paper, a little gift box and tags. There is also a separate set of Mod Scandi Holiday Bird designs that can be purchased as digi downloads to print. These include a 3D paper craft mug, card kit, boxes, papers and more. *Quilling For Christmas Gifts* Errica Lyles, 2020-11-19 Paper quilling is a favorite crafting pastime but is by no means new. This paper art has existed since the invention of paper. Paper quilling is the art of cutting paper into long thin strips, rolling and pinching the pieces into different shapes, and then gluing the shapes together to form decorative art. Paper quilling projects can be used to decorate cards, boxes, gift bags, picture frames, or even be made into 3D stand-alone art pieces. The Christmas season is here, and along with it comes the yearly rush to send out and give away holiday cards to your friends and family members. When it comes to Christmas cards, some of us like to go with the old stand-by box sets (JAM offers several lovely options) while others like to take the homemade route. If you are more prone to put yourself into the later category, this post is for you. Those who keep up to date with paper crafting trends are probably familiar with quilling. For those who are not, here is a short explanation. Quilling is the practice of curling and shaping strips of paper in order to create larger decorative shapes and designs. Here, I will show you how to use quilling to make your own beautiful and decorative Christmas wreath gifts!
