Lady Sara Blomfield

Sri Lanka at the Crossroads of History Zoltán Biedermann, Alan

Strathern, 2017-06-07 The peoples of Sri Lanka have participated in far-flung trading networks, religious formations, and Asian and European empires for millennia. This interdisciplinary volume sets out to draw Sri Lanka into the field of Asian and Global History by showing how the latest wave of scholarship has explored the island as a 'crossroads', a place defined by its openness to movement across the Indian Ocean. Experts in the history, archaeology, literature and art of the island from c.500 BCE to c.1850 CE use Lankan material to explore a number of pressing scholarly debates. They address these matters from their varied disciplinary perspectives and diverse array of sources, critically assessing concepts such as ethnicity, cosmopolitanism and localisation, and elucidating the subtle ways in which the foreign may be resisted and embraced at the same time. The individual chapters, and the volume as a whole, are a welcome addition to the history and historiography of Sri Lanka, as well as studies of the Indian Ocean region, kingship, colonialism, imperialism, and early modernity.

Colloquial Hindi Tej K. Bhatia, 2002-09-11 First published in 1996.

Routledge is an imprint of Taylor & Francis, an informa company.

Maintenance and Reliability Best Practices Ramesh Gulati, 2012-04 Drawing upon the authors many years of shop floor and management experience in a variety of industries, this

What to Ask the Person in the Mirror Robert S. Kaplan, 2011 Harvard Business School professor and business leader Robert Kaplan presents a process for asking the big questions that will enable you to diagnose problems, change course if necessary, and advance your career.

EqualBITE Judy Robertson, 2018 The ivory tower, like other stately homes in the UK, might present a grand façade to the world but closer inspection reveals a dark, spidery basement full of inequalities. Gender imbalances still exist across all areas of higher education. From salaries and promotion, to representation in the curriculum, formal approaches and good intentions rarely address the full complexity. *EqualBITE* digs into the messy reality of higher education gender issues, presenting people's stories, experiences and frustrations and - more importantly - what can be done. University of Edinburgh students and staff share real-life experiences of gender challenges and opportunities, and their constructive responses. The book condenses current academic research into practical actions that do make a difference. *EqualBITE* is a pragmatic and positive response to gender issues in academia - a catalyst for creating a culture which is better for everyone. We were so pleased to see this new guide to one aspect of diversity--gender equality--and to see how good it is: the book is comprehensive; it is raw, honest and personal; and it is very well written. It is a book both for reading cover-to-cover and for dipping into, and it will be enormously influential. - Jim Smith Director of Science, Wellcome Trust & Gemma Tracey Diversity & Inclusion Programme Manager - Science & Research, Wellcome Trust The balance between data and lived experience equip the reader with the vital understanding of the depth of institutionalised inequality...This is recommended reading for anyone working in higher education who truly wants to create a fairer culture of women. - Talat Yaqoob Director, Equate Scotland I really enjoyed reading the recipes - they combine humour with practical advice on how to tackle important gender issues. - Fiona Watt Vice-Dean

Research and Impact, Faculty of Life Science and Medicine, King's College London

Sleeping, Dreaming, and Dying Dalai Lama, 2002-05-01 This is an absorbing account of a dialogue between leading Western scientists and the foremost representative of Buddhism today, the Dalai Lama of Tibet. For modern science, the transitional states of consciousness lie at the forefront of research in many fields. For a Buddhist practitioner these same states present crucial opportunities to explore and transform consciousness itself. This book is the account of a historic dialogue between leading Western scientists and the Dalai Lama of Tibet. Revolving around three key moments of consciousness--sleep, dreams, and death--the conversations recorded here are both engrossing and highly readable. Whether the topic is lucid dreaming, near-death experiences, or the very structure of consciousness itself, the reader is continually surprised and delighted. Narrated by Francisco Varela, an internationally recognized neuroscientist, the book begins with insightful remarks on the notion of personal identity by noted philosopher Charles Taylor, author of the acclaimed *Sources of Self*. This sets the stage for Dr. Jerome Engel, Dr. Joyce MacDougal, and others to engage in extraordinary exchanges with the Dalai Lama on topics ranging from the neurology of sleep to the yoga of dreams. Remarkable convergences between the Western scientific tradition and the Buddhist contemplative sciences are revealed. Dr. Jayne Gackenbach's discussion of lucid dreaming, for example, prompts a detailed and fascinating response from the Dalai Lama on the manipulation of dreams by Buddhist meditators. The conversations also reveal provocative divergences of opinion, as when the Dalai Lama expresses skepticism about Near-Death Experiences as presented by Joan Halifax. The conversations are engrossing and highly readable. Any reader interested in psychology, neuroscience, Buddhism, or the alternative worlds of dreams will surely enjoy *Sleeping, Dreaming, and Dying*.

NASM AFAA Principles of Group Fitness Instruction Nasm National Academy of Sports Medicine, 2017-09-19 Since 1983, AFAA has pioneered and set the fundamental movement standards in the fitness industry. The Petrine Instauration Robert Collis, 2011-12-09 Drawing on recent scholarship on the history of Western esotericism and religious studies on the importance of millenarian thought in Early Modern Europe, this study provides an innovative re-examination of Peter the Great's Court in early eighteenth-century Russia.

Dilip Kumar Dilip Kumar, 2014-07-28 An authentic, heartfelt and compelling narrative – straight from the horse's mouth – that reveals for the first time numerous unknown aspects of the life and times of one of the greatest legends of all time who stands out as a symbol of secular India. Dilip Kumar (born as Yousuf Khan), who began as a diffident novice in Hindi cinema in the early 1940s, went on to attain the pinnacle of stardom within a short time. He came up with spellbinding performances in one hit film after another – in his almost six-decade-long career – on the basis of his innovative capability, determination, hard work and never-say-die attitude. In this unique volume, Dilip Kumar traces his journey right from his birth to the present. In the

process, he candidly recounts his interactions and relationships with a wide variety of people not only from his family and the film fraternity but also from other walks of life, including politicians. While seeking to set the record straight, as he feels that a lot of what has been written about him so far is 'full of distortions and misinformation', he narrates, in graphic detail, how he got married to Saira Banu, which reads like a fairy tale! Dilip Kumar relates, matter-of-factly, the event that changed his life: his meeting with Devika Rani, the boss of Bombay Talkies, when she offered him an acting job. His first film was Jwar Bhata (1944). He details how he had to learn everything from scratch and how he had to develop his own distinct histrionics and style, which would set him apart from his contemporaries. After that, he soon soared to great heights with movies such as Jugnu, Shaheed, Mela, Andaz, Deedar, Daag and Devdas. In these movies he played the tragedian with such intensity that his psyche was adversely affected. He consulted a British psychiatrist, who advised him to switch over to comedy. The result was spectacular performances in laugh riots such as Azaad and Kohinoor, apart from a scintillating portrayal as a gritty tonga driver in Naya Daur. After a five-year break he started his 'second innings' with Kranti (1981), after which he appeared in a series of hits such as Vidhaata, Shakti, Mashaal, Karma, Saudagar and Qila.

A New English-Hindustani Dictionary S. W. Fallon, 1883

A Grammar of the Homeric Dialect David Binning Monro, 1891 A Grammar of the Homeric Dialect by David Monro Binning, first published in 1891, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

The Debate of King Milinda Pesala (Bhikkhu.), 1991 The Milinda Panha is, with good reason, a famous work of Buddhist literature, probably compiled in the first century B.C. It presents Buddhist doctrine in a very attractive and memorable form as a dialogue between a Bactrian Greek king, Milinda, who plays the 'Devil's Advocate' and a Buddhist sage, Nagasena. The topics covered include most of those questions commonly asked by Westerners such as If there is no soul, what is it that is reborn? and If there is no soul, who is talking to you now? This abridgement provides a concise presentation of this master-piece of Buddhist literature. This abridgement provides a concise presentation of this masterpiece of Buddhist literature. The introduction outlines the historical background against which the dialogues took place, indicating the meeting of two great cultures--that of ancient Greece and the Buddhism of the Indus valley which was a legacy of the great Emperor Asoka. It is hoped that the adequate references, glossary, index and list of Pali quotations will provide readers with an incentive to read further from the translations of the Pali texts.

Pali Thomas Oberlies, 2011-04-20 The grammar presents a full description of Pali, the language used in the Theravada Buddhist canon, which is still alive in Ceylon and South-East Asia. The development of its phonological and morphological systems is traced in detail from Old Indic. Comprehensive

references to comparable features and phenomena from other Middle Indic languages mean that this grammar can also be used to study the literature of Jainism.

Maintenance Planning and Scheduling Handbook Richard (Doc)

Palmer,2006-01-04 Many readers already regard the Maintenance Planning and Scheduling Handbook as the chief authority for establishing effective maintenance planning and scheduling in the real world. The second edition adds new sections and further develops many existing discussions to make the handbook more comprehensive and helpful. In addition to practical observations and tips on such topics as creating a weekly schedule, staging parts and tools, and daily scheduling, this second edition features a greatly expanded CMMS appendix which includes discussion of critical cautions for implementation, patches, major upgrades, testing, training, and interfaces with other company software. Readers will also find a timely appendix devoted to judging the potential benefits and risks of outsourcing plant work. A new appendix provides guidance on the people side of maintenance planning and work execution. The second edition also has added a detailed aids and barriers analysis that improves the appendix on setting up a planning group. The new edition also features cause maps illustrating problems with a priority systems and schedule compliance. These improvements and more continue to make the Maintenance Planning and Scheduling Handbook a maintenance classic.

Written by Salim-Javed Diptakirti Chaudhuri,2015-10-01 The dramatic, entertaining story of the dream team that pioneered the Bollywood blockbuster Salim Khan and Javed Akhtar reinvented the Bollywood formula with an extraordinary lineup of superhits, becoming game changers at a time when screenwriting was dismissed as a back-room job. From Zanjeer to Deewaar and Sholay to Shakti, their creative output changed the destinies of several actors and filmmakers and even made a cultural phenomenon of the Angry Young Man. Even after they decided to part ways, success continued to court them-a testament not only to their impeccable talent and professional ethos, but also their enterprising showmanship and business acumen. Fizzing with energy and brimming over with enough trivia to delight a cinephile's heart, Written by Salim-Javed tells the story of a dynamic partnership that transformed Hindi cinema forever.

The Passing of 'Abdu'l-Bahá Lady Sara Blomfield,1991

Playing with the Past Matthew Wilhelm Kapell,Andrew B.R. Elliott,2013-10-24 Game Studies is a rapidly growing area of contemporary scholarship, yet volumes in the area have tended to focus on more general issues. With Playing with the Past, game studies is taken to the next level by offering a specific and detailed analysis of one area of digital game play -- the representation of history. The collection focuses on the ways in which gamers engage with,

play with, recreate, subvert, reverse and direct the historical past, and what effect this has on the ways in which we go about constructing the present or imagining a future. What can World War Two strategy games teach us about the reality of this complex and multifaceted period? Do the possibilities of playing with the past change the way we understand history? If we embody a colonialist's perspective to conquer 'primitive' tribes in Colonization, does this privilege a distinct way of viewing history as benevolent intervention over imperialist expansion? The fusion of these two fields allows the editors to pose new questions about the ways in which gamers interact with their game worlds. Drawing these threads together, the collection concludes by asking whether digital games - which represent history or historical change - alter the way we, today, understand history itself.

Music as Social Life Thomas Turino, 2008-10-15 In 'Music as Social Life', Thomas Turino explores why it is that music and dance are so often at the centre of our most profound personal and social experiences.

Teach Yourself Beginner's Hindi Package (Book + 2CDs) Rupert Snell, 2004-04-14 For those who find learning a new language daunting, the Teach Yourself Beginner's Language Series is just what the language teacher ordered.
