I Guarantee It George Zimmer,2021-09-21 America knew George Zimmer for one of the most famous slogans in television advertising history: “I guarantee it.” Zimmer rode his promise to lead the Men’s Wearhouse to unimagined success as a retail giant. Now, years removed from his stunning dismissal as leader of the company he founded, I Guarantee It recounts the journey of Zimmer’s rise, the fall of the Men’s Wearhouse, and his personal renewal. For forty-one years, George Zimmer forged a relationship with American men who wanted to like the way they looked without getting too fussy about it. He made them a promise that came straight from the shoulder: “I guarantee it,” he said, and it was ironclad. By the millions, customers walked into The Men’s Wearhouse stores in all fifty states and Canada, where they received “quality, service, and a good price,” where they bought suits, ties, sports coats, and slacks by the tens of billions of dollars. Then a backstabbing — the handpicked board of directors fired Zimmer from the company he had created and developed into the most successful men’s specialty store in world history. Eight years later, Zimmer is back to tell his story: a man raised by a prosperous and loving family, a fun-loving son of the sixties, a merchant, an entrepreneur, a pitchman for the ages. Zimmer’s ouster devastated but did not destroy him. His is a story of hard work and resilience, about a life in business that succeeded beyond belief and followed the Golden Rule. It’s a story that will teach and inspire. He guarantees it.

Typographic Systems of Design Kimberly Elam,2007-05-03 Typographic organization has always been a complex system in that there are so many elements at play, such as hierarchy, order of reading, legibility, and contrast. In Typographic Systems, Kim Elam, author of our bestselling books, Geometry of Design and Grid Systems, explores eight major structural frameworks beyond the gridincluding random, radial, modular, and bilateralsystems. By taking the reader through exercises, student work, and professional examples, Elam offers a broad range of design solutions. Once essential visual organization systems are understood the designer can fluidly organize words or images within a structure, combination of structures, or a variation of a structure. With clarity and substance, each systemfrom the structured axis to the nonhierarchical radial arrayis explained and explored so that the reader comes away with a better understanding of these intricate complex arrangements. Typographic Systems is the seventh title in our bestselling Design Briefs series, which has sold more than 100,000 copies worldwide.

Three Sheets Zane Lamprey,2010-03-16 Most people have a few drinks to relax after work. For Zane Lamprey, however, having a few (or a few too many) drinks is work. But he’s not complaining. Zane has circled the globe knocking back an endless variety of booze while capturing his imbibing exploits for the cult-hit TV show Three Sheets. And now the Indiana Jones of alcohol consumption has gathered a round of his most amusing adventures, fascinating factoids, and tips for adventurous tipplers into this, the ultimate pub crawler’s memoir. Join him as he ventures, glass in hand, to • Ireland, where whiskey was invented, drinking is a way of life, and beer is the best medicine • Tanzania, where the popular “bee brew,” engortorogi, was accidentally discovered by a woman trying to poison her two-timing husband • Las Vegas, where the scary-to-look-at, tasty-to-sip, and impossible-to-finish-alone Witch Doctor is a better bet than the gaming tables, and a bacon martini is a savory way to wash down Sin City’s famed \$777 burger • Japan, where the celebrated sake is brewed like beer and once featured saliva as a secret ingredient • Poland, where vodka is the equivalent of America’s apple pie (one of the most popular brands is infused with flakes of gold) and lovers of beer constitute an official political party Zane also sips champagne in the French region that gave the bubbly its name and heads to Tequila, Mexico to sample the infamous local spirit from the blue agave plant. He also bellies up to bars in Scotland, Jamaica, Argentina, New Zealand, Belgium, St. Martin, South Africa, and Taiwan. Each destination is a new adventure in libation. Packed with anecdotes, recipes and drinking games, and more hangover remedies than you can shake a swizzle stick at, Three Sheets makes for a delightfully intoxicating cocktail.
