Palm-of-the-Hand Stories Yasunari Kawabata,2006-11-14 Collection of short stories written over the entire span of Kawabata's career. Paint by Sticker Kids: Zoo Animals Workman Publishing,2016-09-20 Find the sticker, peel the sticker, place the sticker. And sticker by sticker, a koala appears! Or an elephant, frog, red panda, puffin, peacock, snake, giraffe, tiger, or gorilla. (And no mess to clean up!) Designed for children ages 5 and up, Paint by Sticker Kids: Zoo Animals uses low-poly art—a computer style that renders 3-D images out of polygon shapes—and removable color stickers so that kids can create 10 vibrant works of art. The stickers are larger, as befits the younger audience, and the card stock pages are perforated for easy removal, making them suitable for displaying.

Mothers, Tell Your Daughters: Stories Bonnie Jo Campbell,2015-10-05 “Bonnie Jo Campbell is a master of rural America’s postindustrial landscape.” —Boston Globe Named by the Guardian as one of our top ten writers of rural noir, Bonnie Jo Campbell is a keen observer of life and trouble in rural America, and her working-class protagonists can be at once vulnerable, wise, cruel, and funny. The strong but flawed women of Mothers, Tell Your Daughters must negotiate a sexually charged atmosphere as they love, honor, and betray one another against the backdrop of all the men in their world. Such richly fraught mother-daughter relationships can be lifelines, anchors, or they can sink a woman like a stone. In My Dog Roscoe, a new bride becomes obsessed with the notion that her dead ex-

boyfriend has returned to her in the form of a mongrel. In *Blood Work*, 1999, a phlebotomist's desire to give away everything to the needy awakens her own sensuality. In *Home to Die*, an abused woman takes revenge on her bedridden husband. In these fearless and darkly funny tales about women and those they love, Campbell's spirited American voice is at its most powerful.

Introductory Grammar of Amharic Wolf Leslau, 2000 This book closes the gap for beginners who want to study the Amharic language and had difficulties in finding the right grammar for this purpose: The first grammar of Amharic, the national language of Ethiopia, was published by Hiob Ludolf in 1698. The Amharic grammar published by Praetorius in 1879 is based on Amharic religious texts and on scattered material, usually composed by missionaries. A milestone in the study of Amharic is Marcel Cohen's *Traite de langue amharique* (1936), but this grammar, too is not completely suited for beginners since the author's generalizations are at times aimed at linguists. The grammar that comes closest to the concept of a beginner's grammar is that of C.H. Dawkin (1960), yet this grammar is extremely short, does not give examples and does not introduce the student to the intricacies of the language. The new book gives all the grammatical forms and the sentences of the present grammar in Amharic script and in phonetic transcription. The illustrative examples have a free and a literal translation. This procedure should likewise prove to be useful for the Semitist as well as for the general linguist.

An innovator and one of the most successful female entrepreneurs of her time, Vera built her company on a radical philosophy: fine art should be accessible to everyone, not just a select few. Known for her iconic images of cheerful flowers, trendy geometrics, and vibrant ladybugs, she believed people should surround themselves with beauty. For the first time, *Vera: The Art and Life of an Icon*, tells her inspiring story through the art and designs she created. In this volume, richly illustrated with Vera's original sketches, paintings, and photographs of her worldwide travels, readers are introduced to the amazing woman behind the dynamic designs that continue to inspire and influence art, design, and fashion.

An Historical Account of the Diocese of Down and Connor, Ancient and Modern James O'Laverty, 1878

Goldilocks and the Three Koalas Kel Richards, 2011-01-01 Everyone called her 'Goldilocks', although her name was Shirley, because she had a mass of hair, fluffy, blonde and curly. Shirley goes out for a walk one day and comes across a little house in the bush. After

letting herself in, thoroughly looking through (and messing up) the house, as well as helping herself to food, she eventually finds herself a comfortable place to rest . . . until the koalas come home to find a stranger in their house, that is! Kel Richard's hilarious rhyming text is beautifully accompanied by Claire Richard's delightful watercolour art that is full of funny details for children to look for.
