Independent Theatre in Contemporary Europe Manfred Brauneck,ITI Zentrum Deutschland,2017-03-31 Over the past 20 years European theatre underwent fundamental changes in terms of aesthetic focus, institutional structure and in its position in society. The impetus for these changes was provided by a new generation in the independent theatre scene. This book brings together studies on the state of independent theatre in different European countries, focusing on the fields of dance and performance, children and youth theatre, theatre and migration and post-migrant theatre. Additionally, it includes essays on experimental musical theatre and different cultural policies for independent theatre scenes in a range of European countries.

Game, Set, Cash! Brad Hutchins,2014-05-28 Inside the secret world of tennis court-siding. Brad Hutchins has been living a young bloke's dream: getting paid to travel the world and watch sport. Sitting court-side on the pro tennis circuit, he uses his phone to transmit results to a gambling syndicate, taking advantage of the time delay in TV broadcasts to beat other online punters to the big pay-offs. His stories from life on the road capture the adventures and mishaps that come with following the world's best tennis players and partying in a new country every week. But like card counters in casinos, court-siders are despised by the tennis establishment. The more time Brad spends at tournaments, the harder it becomes for him to evade the security guards who are hell-bent on ejecting him from matches. The resulting cat-and-mouse chases will appeal to anyone who loves the roguish spirit of *The Wolf of Wall Street* or *Catch Me If You Can*. Brad Hutchins spent his youth playing sports and travelling the world, before finding his dream job as a tennis trader. Born and raised in Brisbane, he has lived and worked in the UK and Canada, and now teaches primary school students on the Gold Coast. *Game, Set, Cash!* is his first book.

After Conversion Mercedes García-Arenal,2016-09-07 This book examines the religious and ideological consequences of mass conversion in Iberia, where Jews and Muslims were forcibly converted or expelled at the end of the XVth century and beginning of the XVIth, and in this way it explores the fraught relationship between origins and faith. It treats also of the consequences of coercion on intellectual debates and the production of knowledge, taking into account how integrating new converts from Judaism and Islam stimulated Christian scholars to confront the converts' sacred texts and created a distinctive peninsular hermeneutics. The book thus assesses the importance of the "Converso problem" in issues such as religious dissidence, dissimulation, and doubt and skepticism while establishing the process by which religious dissidence came to be categorized as heresy and was identified with converts from Judaism and Islam even when Lutheranism was often in the background.

The Cultural Worlds of the Jesuits in Colonial Latin America Linda Newson,2020-06-30 2017 marked the 250-year anniversary of the expulsion of the Jesuits from Spanish territories. The Jesuits made major contributions to the cultural and intellectual life of Latin America. When they were expelled in 1767 the Jesuits were administering over 250,000 Indians in over 200 missions. The Jesuits pioneered interest in indigenous languages and cultures, compiling dictionaries and writing some of the earliest ethnographies of the region. They also explored the region's natural history and made significant contributions to the development of science and medicine. On their estates and in

the missions they introduced new plants, livestock, and agricultural techniques, such as irrigation. In addition, they left a lasting legacy on the region's architecture, art, and music. The volume demonstrates the diversity of Jesuit contributions to Latin American culture. Published works often focus on one theme or region that is approached from a particular disciplinary perspective. This volume is therefore unusual in considering not only the range of Jesuit activities but also the diversity of perspectives from which they may be approached. It includes papers from scholars of history, linguistics, religion, art, architecture, cartography, music, medicine and science.

Audible Geographies in Latin America Dylon Lamar Robbins, 2019-09-28 Audible Geographies in Latin America examines the audibility of place as a racialized phenomenon. It argues that place is not just a geographical or political notion, but also a sensorial one, shaped by the specific profile of the senses engaged through different media. Through a series of cases, the book examines racialized listening criteria and practices in the formation of ideas about place at exemplary moments between the 1890s and the 1960s. Through a discussion of Louis Moreau Gottschalk's last concerts in Rio de Janeiro, and a contemporary sound installation involving telegraphs by Otávio Schipper and Sérgio Krakowski, Chapter 1 proposes a link between a sensorial economy and a political economy for which the racialized and commodified body serves as an essential feature of its operation. Chapter 2 analyzes resonance as a racialized concept through an examination of phonograph demonstrations in Rio de Janeiro and research on dancing manias and hypnosis in Salvador da Bahia in the 1890s. Chapter 3 studies voice and speech as racialized movements, informed by criminology and the proscriptive norms defining "white" Spanish in Cuba. Chapter 4 unpacks conflicting listening criteria for an optics of blackness in "national" sounds, developed according to a gendered set of premises that moved freely between diaspora and empire, national territory and the fraught politics of recorded versus performed music in the early 1930s. Chapter 5, in the context of Cuban Revolutionary cinema of the 1960s, explores the different facets of noise—both as a racialized and socially relevant sense of sound and as a feature and consequence of different reproduction and transmission technologies. Overall, the book argues that these and related instances reveal how sound and listening have played more prominent roles than previously acknowledged in place-making in the specific multi-ethnic, colonial contexts characterized by diasporic populations in Latin America and the Caribbean.

Love and Respect Dr. Emerson Eggerichs, 2004-09-05 Discover the single greatest secret to a successful marriage! Touted as a classic among marriage books, Love & Respect reveals why spouses react negatively to each other and how they can deal with conflict quickly, easily and biblically. A New York Times best-seller with over 2.1 million copies sold. Cracking the communication code between husband and wife involves understanding one thing: that unconditional respect is as powerful for him as unconditional love is for her. It's the secret to marriage that every couple seeks, and yet few couples ever find. While both men and women deserve both love and respect, in the midst of conflict the driving need for a woman is love and the driving need for a man is respect. When either of these needs isn't met, things get crazy. Based on over three decades of counseling, as well as scientific and biblical research, Dr. Emerson Eggerichs and his wife, Sarah, have taken the Love and Respect message across America and are changing the way couples talk to, think about, and treat each other. If you want to feel peace, closeness, value, and to experience marriage the way God intended, this book will help you get there. Love and Respect is for anyone: those in marital crisis, the happily married, engaged couples, pastors and counselors, and small groups. Breakfast of Champions Kurt Vonnegut, 2009-09-23 "Marvelous . . . [Vonnegut] wheels out all the complaints about America and makes them seem fresh, funny, outrageous, hateful and lovable."—The New York Times In *Breakfast of Champions*, one of Kurt Vonnegut's most beloved characters, the aging writer Kilgore Trout, finds to his horror that a Midwest car dealer is taking his fiction as truth. What follows is murderously funny satire, as Vonnegut looks at war, sex, racism, success, politics, and pollution in America and reminds us how to see the truth. "Free-wheeling, wild and great . . . uniquely Vonnegut."—Publishers Weekly

Literature, Testimony and Cinema in Contemporary Colombian Culture Rory O'Bryen, 2008 Memory and mourning in Colombia. This book provides the first in-depth examination of a representative range of contemporary Colombian cultural engagements with the conflicts known simply as La Violencia that began in Colombia in the late 1940s. These include Gustavo Alvarez Gardeazábal's now classic revision of the 'novela de la Violencia', the autobiographical cycle of acclaimed author Fernando Vallejo, versions of the testimonio by Alfredo Molano and internationally renowned novelist Laura Restrepo, as well as cinematic works by Carlos Mayolo and Luis Ospina. These cultural icons, many of whom are remarkably understudied, show how the heterogeneity of social and cultural processes condensed in La Violencia demands a deconstruction of 'violence' in Colombian culture. This argument is developed in dialogue with European and Latin American cultural theory and contributes to theoretical debates surrounding issues of memory and mourning developed in other Latin American contexts. The narratives explored in this book provide alternatives to abstract historicism and show us how to imagine ways out of deeply rooted cycles of violence. Yet their insistence on haunting and spectres signals the problems besetting the task of mourning in Colombia, positing history rather than psychology as a remainder that troubles efforts to forge collective memories and enact social reconciliation. RORY O'BRYEN lectures in Latin American literature and culture at the University of Cambridge.

Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Poetry in Pieces Michelle Clayton, 2011-01-10 Set against the cultural and political backdrop of interwar Europe and the Americas, *Poetry in Pieces* is the first major study of the Peruvian poet César Vallejo (1892–1938) to appear in English in more than thirty years. Vallejo lived and wrote in two distinct settings—Peru and Paris—which were continually crisscrossed by new developments in aesthetics, politics, and practices of everyday life; his poetry and prose therefore need to be read in connection with modernity in all its forms and spaces. Michelle Clayton combines close readings of Vallejo's writings with cultural, historical, and theoretical analysis, connecting Vallejo—and Latin American poetry—to the broader panorama of international modernism and the avant-garde, and to writers and artists such as Rainer Maria Rilke, James Joyce, Georges Bataille, and Charlie Chaplin. *Poetry in Pieces* sheds new light on one of the key figures in twentieth-century Latin American literature, while exploring ways of rethinking the parameters of international lyric modernity.

The Rag Doll Plagues Alejandro Morales,1992-01-01 A mysterious plague is decimating the population of colonial Mexico. One of His Majesty's highest physicians is dispatched from Spain to bring the latest advances in medical science to the backward peoples of the New World capital. Here begins the cyclical tale of man battling the unknown, of science confronting the eternally indifferent forces of nature. Morales takes us on a trip through ancient and future civilizations, through exotic but all-too-familiar cultures, to a final confrontation with our own ethics and world views. In later chapters, the colonial physician finds his successors as they once again engage in life or death struggles, attempting to balance their own hopes, desires and loves with the good society and the state. Book II of the novel takes place in modern-day southern California, and Book III in a futuristic technocratic confederation known as Lamex. In the tradition of Latin American born novelist, Alejandro Morales is one of the finest representatives of magic realism in the English language. In *The Rag Doll Plagues*, Morales creates a many layered fictional world, taking us on an entertaining and thought-provoking safari thorough lands, times, peoples and ideas never before encountered or presented in this manner. But ultimately, this valuable trip leads to a reacquaintance with our own society and its moral vision.
