Countless Hues of Crimson Philippa Ballantine, Tee Morris, 2017 Anastasia Brassingware is a daughter of English aristocracy, but her station has been brought low by her father's belief in ridiculous quick schemes. Now forced into penury, she must take any menial job. A chance meeting with enigmatic pineapple merchant, Lord Heathcliff Redd, has changed everything. Drawn in by his brooding ways, the maiden discovers the pineapple merchant's darker pleasures, and technological wonders that do more than just core his tropical bounties with ease. Take caution, dear reader. This is a novel of shadow, of desire, and of wanton lust. This novella is not a collection of standing orders for a clandestine organization within Her Majesty's government. No sir. No how. No way. Nowhere in this scintillating novel of erotic perversion are coded messages intended for agents that investigate the strange, the bizarre, and the unnatural. No. In this novella are pages of good British smut, just the way God intended. This is the story of a wide-eyed ingénue innocent to carnal pleasures, a wealthy English lord with a pineapple fetish, and fresh fruit bending to their will. No standing orders whatsoever.

Whereas, We Declare, 2018 *Whereas, We Declare* compiles the text from the Universal Declaration of Human Rights (UDHR), proposed to the United Nations by Eleanor Roosevelt in 1948, with drawn images and statistical information about immigration. These texts celebrate accepting immigrants to the USA as historically essential to defining the nation, both by enriching the cultural horizons and contributing significantly to science, industry, and the humanities. Themes of imposed boundaries and borders run throughout the book's imagery; the inside covers are the UDHR preamble annotated by Roosevelt.. --
