Mighty Fitz Michael Schumacher, 2008-12-01 The disappearance of the Edmund Fitzgerald remains one of the great unsolved mysteries in maritime history. Michael Schumacher relays in vivid detail the story of the Edmund Fitzgerald, its many productive years on the waters of the Great Lakes, its tragic demise, the search effort and investigation, as well as the speculation and the controversy that followed in the wake of the disaster. Michael Schumacher is the author of six books. He has written 25 documentaries on Great Lakes shipwrecks, including three about the Edmund Fitzgerald. In his ballad, Mr. Lightfoot sang about the Fitz's final tense moments, when the waves turn minutes to hours: Now the hours have lengthened into years and years into decades-but the allure of this doomed ship and its missing men remains as strong as ever. -Wall Street Journal

Unfolding Practice Arzu Mistry,2016-06-01 Unfolding Practice: Reflections on Learning and Teaching is a conversation between two artist-educators. Flowing across five chapters, the double sided accordion book has been curated from ten years of recorded conversations, field notes, planning, sketches, reflection, and teaching. The front of the book weaves text, illustration,

cutouts, and screen prints, journeying through artistic process and educational practice. The back of the book is a guide, expanding on the practice of using accordion books as a tool for capturing, visualizing, and building upon reflective thinking. The brown paper alludes to the craft paper that is ubiquitous in schools and captures process more than the preciousness of a final product.

A Darning Stitch Sue Carrie Drummond, 2017

Countless Hues of Crimson Philippa Ballantine, Tee Morris, 2017
Anastasia Brassingware is a daughter of English aristocracy, but her station has been brought low by her father's belief in ridiculous quick schemes. Now forced into penury, she must take any menial job. A chance meeting with enigmatic pineapple merchant, Lord Heathcliff Redd, has changed everything. Drawn in by his brooding ways, the maiden discovers the pineapple merchant's darker pleasures, and technological wonders that do more than just core his tropical bounties with ease. Take caution, dear reader. This is a novel of shadow, of desire, and of wanton lust. This novella is not a collection of standing orders for a clandestine organization within Her Majesty's government. No sir. No how. No way. Nowhere in this scintillating novel of erotic perversion are coded messages intended for agents that

investigate the strange, the bizarre, and the unnatural. No. In this novella are pages of good British smut, just the way God intended. This is the story of a wide-eyed ingénue innocent to carnal pleasures, a wealthy English lord with a pineapple fetish, and fresh fruit bending to their will. No standing orders whatsoever.

Whereas, We Declare ,2018 Whereas, We Declare compiles the text from the Universal Declaration of Human Rights (UDHR), proposed to the United Nations by Eleanor Roosevelt in 1948, with drawn images and statistical information about immigration. These texts celebrate accepting immigrants to the USA as historically essential to defining the nation, both by enriching the cultural horizons and contributing significantly to science, industry, and the humanities. Themes of imposed boundaries and borders run throughout the book's imagery; the inside covers are the UDHR preamble annotated by Roosevelt.. --
