Living Life Consciously Lana Tracy Lewis,2009-03 Living Life Consciously Living Life Consciously shares with you, your soul purpose, soul lesson and life lesson, each components of what constitutes your purpose in life. It reflects on your gifts and lessons, and how to actively and consciously implement them in your life in order to experience personal and spiritual enlightenment. As the ego and the soul come face to face on this earth plane, they become intertwined, and must learn to experience life holistically and from a common viewpoint. Thus begins the battle for both personal and soul growth. As you learn to love, appreciate and acknowledge every facet of who you are, you begin to experience your absolute potential through your innate power and uniqueness, which brings fulfillment, happiness and inner contentment. Together, the ego and the soul dance symbiotically to the rhythm of life. Living Life Consciously assists you to expand your awareness and thus encounter the blessings that life has to offer. Instead of battling to swim upstream you learn how to consciously manoeuvre your way downstream, going with the flow of life, rather than against it. You will learn how to interact with others and the dynamics of your relationships that either help or hinder you in your development towards self-growth and self-acceptance. Living Life Consciously teaches you that your purpose in life is not only to share your unique talents and abilities with others, but more importantly how to use your strengths to develop and embrace those aspects of yourself that you reject, thereby creating a 'whole' individual. Ultimately the ego and the soul are transformed and unite through the knowledge that they are inextricably interconnected. Together they create a harmonious, creative and constructive foundation needed to experience the joy and abundance

Fish for Supper M.B. Goffstein, 2021-03-02 Selected as a Caldecott Honor Book in 1977, and now back in print for the first time in a decade, this is a charming picture book about a grandmother and her simple, idyllic daily routine. Fish for Supper is M.B. Goffstein's Caldecott Honor story of a grandmother and her regular routine in summer: waking at five o'clock in the morning to make the most of a day on the lake, "with cans of worms and minnows, some fruit for lunch, bobbers, lines, hooks, and sinkers." Delightfully and wittily, Goffstein departs from the usual fisherman's tale to give us a day in the life of this no-nonsense, patient fisherwoman who catches "sunfish, crapper, perch, and sometimes a big northern pike," who capably cleans her catch, and who can bake to boot. She relishes every bite of her well-earned supper, and the pleasure she takes in her self-sufficiency and graceful work becomes the reader's as well. Based on Goffstein's own childhood summers at her grandparents' house on Lake Minnetonka, Minnesota, Fish for Supper transforms her indelible memories into a story that is as honed and gratifying as its heroine's days.
