Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the

war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Beginners Guide to Goldwork Ruth Chamberlin,2017-02-28 This popular book by Ruth Chamberlin now returns as a Search Press Classic, with an updated design and preface on the author by the illustrious embroiderer Mary Corbet. A needle art that dates back over a thousand years, goldwork embroidery involves sewing with lavish metal threads. It has been prized and often used by religious orders and royal households for its opulence and the way the light glimmers and plays on the beautiful metallic designs. Those in love with this brilliant style of embroidery can now create their own with easy-to-follow, step-by-step guide. Through calm and deliberate instruction, Chamberlin's book aims to

teach the reader how to create a personal sampler - a piece of embroidery containing a mixture of designs and stitches, which shall provide a basis for future projects and enable readers to continue on their goldwork journey. With multiple stitch techniques - from simple laid stitch to the more complex basket stitch, several design motifs with corresponding templates that can be used, and a luminous gallery of finished work interspersed throughout, Chamberlin's work gently introduces beginners to the exquisite needle art of goldwork embroidery.

Woody Guthrie Nora Guthrie, Robert Santelli, 2021-11-16 The timely, passionate, and humanely political work of America's greatest folk singer and songwriter is presented through his own words and art – curated by Woody's daughter – in this essential self-portrait, including never-before published lyrics and personal writing, and testimony from contemporary writers and musicians on his powerful relevance today. Woody Guthrie and his passionate social politics are as crucial today as they have

ever been. A powerful voice for justice, and the author of more than 3,000 songs (including This Land is Your Land), he was also a poet, painter, illustrator, novelist, journal keeper, and profuse letter writer. Curated by his daughter Nora and award-winning music historian Robert Santelli, this fresh, intimate, and beautifully designed book thematically reveals Woody's story through his own personal writings, lyrics, and artwork, urgently bringing his voice to life. Featuring never-before-published lyrics to some of his greatest songs, personal diary entries, doodles, quips and jokes, and piercing insights on his politics and justice, this is an undeniable and important celebration of Woody's vibrant life's work. Created to be enjoyed by all – those interested in folk music or those interested in Woody's thoughts on Life in all its aspects, from Politics and Spirituality, to Love and Family – this book reflects Bob Dylan's thoughts on Woody Guthrie; You can listen to his songs and learn how to live. ONE OF THE MOST INFLUENTIAL SONGWRITERS IN AMERICAN MUSIC HISTORY: Woody Guthrie has had a profound impact on American musicians, writers, politicians (and the everyman who found solace and kinship in Guthrie's writings and political beliefs), who have been shaped by his music and activism –

namely the great founding father of songwriting himself, Bob Dylan, for whom he was a mentor. Others who have named Guthrie as a major influence include Bruce Springsteen, Johnny Cash, Pete Seeger, John Mellencamp, Billy Bragg, Joe Strummer, and Jerry Garcia, just to name a few. RARE ARCHIVAL MATERIAL: This is Woody's life told primarily in his own words, with never-before published handwritten lyrics, artwork, journals, and much more. WORDS OF WISDOM RELEVANT TODAY: Woody Guthrie's lyrics and writings carry pointed relevance to our world today – he wrote powerfully about economic inequality, immigration reform, fascism, war, corruption from capitalism gone wild, patriotism, and environmentalism – not to mention spirituality of all kinds, love, and family. EXCLUSIVE CONTRIBUTORS: Includes new writing about Woody and his music by Chuck D., Ani DiFranco, Douglas Brinkley, Jeff Daniels, Arlo Guthrie, and Rosanne Cash. Perfect for: • Music lovers • Musicians and artists • Political activists and historians • Fans of Americana

Internet for Nursing Research Joyce J. Fitzpatrick,Kristen S. Montgomery,2004-09-20 This book is a resource for using the internet as a tool in all aspects of nursing research--conducting it, teaching it, and using it. From searching online databases to creating surveys and recruiting research subjects online, the internet opens new possibilities in the research process, as well as new problems. Experienced researchers describe internet-based research methods, information on online methods for teaching research, and accessing the research of others. The appendixes include samples of existing

research projects that use internet-based methodologies, as well as a listing of online resources for researchers.

The Illustrated Encyclopedia of Cryptozoology Vlad Stankovic, 2021-11-30 This illustrated encyclopedia showcases and describes the mysterious cryptid creatures from around the world. Conceived as a blend of science and fantasy, vintage and modern, it is a visual guide to the world that lurks beyond our current knowledge of nature. It's a collection of colorful and fascinating menagerie of mysterious creatures that were witnessed and reported by people from around the world - from the remote deserts of Australia to the high mountains of North America and beyond.

Haiti Ron Haviv, Simon Winchester, 2010-06 A unique, arresting and versatile document of the traumatic earthquake which hit Haiti in 2010 and its aftermath. Encased in a cardboard box, the project comprises 16 unbound posters and a map page which draws attention to the epicentre and its rippling impact on the population of the island. The unique format allows the viewer to absorb each page individually or to hang the entire project. The visual testimony to the events of the the first days after

the event are provided by award-winning photographer Ron Haviv and the essay by esteemed writer Simon Winchester.

To the Point Daniela Malev, 2017 In the field of contemporary jewellery, the brooch is a very common and also much discussed form of jewellery. One of the special challenges of making a good brooch is to find an adequate solution for the pin, which connects the piece securely to the wearer but goes beyond being a mere functional and invisible part of the backside. It should be an essential part of the brooch in terms of content and aesthetics. The author is convinced that the fastening and attachment of a brooch hold a tremendous potential for the design of a brooch in its entirety. As the selection of brooches in this book demonstrates, there is a whole universe of possibilities and varieties...
