Water+Ink Coloring Book Winter 2020 Kim Winberry,2019-07-22 I begin my paintings with a sketch and application of colorful/bright pigment and water to the paper. I disrupt the blends with salt or water, watching as one color blossoms in water, as another color starts to travel across the paper. I utilize India Ink to demarcate changes, also adding swirls other artifacts, in the aim to achieve whimsy. My coloring books are my paintings! I run the paintings through filters and drop the color from them, leaving the lines so that you can add your own color. But wait, there's more... I've added an Augmented Reality component to this. Wonder what colors I used for that piece in the corner there? Take out your phone, download the Zappar app from your app store and zap the code. What happens? At the very least an image of the original painting will pop up and you can see what it looks like, side by side with the coloring page. Beyond that, you'll meet Mist, my liaison to the AR world. She will be a recurring character in all my AR work. Stay tuned and enjoy.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Friendship Ralph Waldo Emerson,1903

Glamour Ghoul Sandra Niemi,2021-01-12 Maila Nurmi, the beautiful and sheltered daughter of Finnish immigrants, stepped off the bus in 1941 Los Angeles intent on finding fame and fortune. She found men eager to take advantage of her innocence and beauty but was determined to find success and love. Her inspired design and portrayal of a vampire won a costume contest that lead to a small role on the Red Skelton show which grew into a persona that brought her the notoriety she desired yet trapped her in a character she could never truly escape. This is Malia's story. Her diaries, notes, and ephemera and family stories bring new insights to her relationships with Orson Welles, James Dean, and Marlon Brando. Sandra Niemi—Malia's niece—fills in the nuances of her life prior to fame and her struggles after the limelight faded and she found a new community within the burgeoning Los Angeles punk scene who embraced her as their own. , Includes rare photographs.

One Last Lunch Erica Heller,2020-05-12 In this heartwarming essay collection, dozens of authors, actors, artists and others imagine one last lunch with someone they cherished. A few years ago, Erica Heller realized how universal the longing is for one more moment with a lost loved one. It could be a parent, a sibling, a mentor, or a friend, but who wouldn't love the opportunity to sit down, break bread, and just talk? Who wouldn't jump at the chance to ask those unasked questions, or share those unvoiced feelings? In *One Last Lunch*, Heller has asked friends and family of authors, artists, musicians, comedians, actors, and others, to recount one such fantastic repast. Muffie Meyer and her documentary subject Little Edie Beale go to a deli in Montreal. Kirk Douglas asks his father what he thought of him becoming an actor. Sara Moulton dines with her friend Julia Child. The Anglican priest George Pitcher has lunch with Jesus. And Heller herself connects with her father, the renowned author Joseph Heller. These richly imagined stories are endlessly revealing, about the subject, the writer, the passage of time, regret, gratitude, and the power of enduring love.

Beginners Guide to Goldwork Ruth Chamberlin,2017-02-28 This popular book by Ruth Chamberlin now returns as a Search Press Classic, with an updated design and preface on the author by the illustrious embroiderer Mary Corbet. A needle art that dates back over a thousand years, goldwork embroidery involves sewing with lavish metal threads. It has been prized and often used by religious orders and royal households for its opulence and the way the light glimmers and plays on the beautiful metallic designs. Those in love with this brilliant style of embroidery can now create their own with easy-to-follow, step-by-step guide. Through calm and deliberate instruction, Chamberlin's book aims to teach the reader how to create a personal sampler - a piece of embroidery containing a mixture of designs and stitches, which shall provide a basis for future projects and enable readers to continue on their goldwork journey. With multiple stitch techniques - from simple laid stitch to the more complex basket stitch, several design motifs with corresponding templates that can be used, and a luminous gallery of finished work interspersed throughout, Chamberlin's work gently introduces beginners to the exquisite needle art of goldwork embroidery.
