**Achtung-Panzer!** Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

**Psychobook** Julian Rothenstein,2016-09-06 Who knew a trip to the therapist could be so much fun, even aesthetically rewarding? Beyond sharing feelings or complaining about your mother, Psychobook reveals the rich history of psychological testing in a fascinating sideways look at classic testing methods, from word-association games to inkblots to personality tests. Psychobook includes never-before-seen content from long-hidden archives, as well as reimagined tests from contemporary artists and writers, to try out yourself, at home or at parties. A great ebook for the therapist in your life and the therapist in you, for anyone interested in the history of psychology and psychological paraphernalia, or for anyone who enjoys games and quizzes. Psychobook will brighten your day and outlook.

**321 Down Street** Keven M. Card,2014-03-21 The Only Question Is Will Their Love Survive? When Sara and Jacob find out they're pregnant with a baby boy, nothing could make them happier. They were your typical expecting parents - deeply in love, deliriously excited to be starting a family. However, their hopes are dashed when the doctor gives a recommendation for Sara to take an AFT. Five words change their destiny forever... "Your son has Trisomy 21" Their perfect love story unexpectedly spirals into panic, and their dream shatters with it - devastating Sara. Jacob, confused and troubled with the situation, tries to prompt Sara into following the doctor's suggestion: terminate the pregnancy; assuring her that they can try again. Sara angry at even the thought of destroying the life inside of her, rejects him. Their love, marriage and future suddenly start to fall apart; sending them both on very different journeys... Chapter 1 - Bacon Sara stared out the window in awe. The branches of the trees in the backyard swayed back and forth in the light breeze, the sun's rays piercing through the leaves causing shadows to dance across the wilted grass. Sara practically floated around the kitchen in her excitement which filled the room along with the smell of the sizzling bacon she was cooking. After years of being married, Sara knew exactly how to rouse her husband from sleep, and she knew that the aroma would eventually coax him out of bed. Elated, she let out a girlish laugh. Today is going to be perfect, she thought. Sizzling and crackling sounds from the frying bacon echoed from the kitchen. She was certain that last pop would have woke him up but she didn't care because she was having too much fun. She let her hand rest on her pregnant belly, patting it affectionately. "I hope you like it out here," she murmured to herself and as if on cue, she felt a tiny flutter in her stomach. Being pregnant was unlike any other chapter of her life, she had never felt more purposeful. She felt like a mess of contradictions. Completely afraid and simultaneously stronger than ever. Powerful, yet unattractive but her mother-in-law had assured her that it was all just the hormones. It didn't stop her from feeling like a thanksgiving turkey, although she did appreciate everyone's attempt at making her feel better. It wasn't long before Jacob's head peeked around the corner, sleepy eyed and resembling more of a toddler than a grown man. His golden hair was creased in the middle, pointing up on one side and flattened on the other. He flashed a smile at her, "What's all this?" She chuckled, "You have some serious bed head Mr. Michaels." Without a word he came up behind her, wrapping his arms around her waist and placing his hands on her stomach. "Should you really be standing up for such a long time, Mrs. Michaels?" "I'm fine Jacob," she replied. "Besides the doctor said walking is healthy for me and the baby, so standing shouldn't hurt." She laughed patting his cheek playfully. He left a butterfly kiss where her fingers brushed against his lips. "Well, if physical activity is helpful..." Her grin gave way to a full smile as she reached back to swat him. After a short pause he continued, "Seriously, do you know what would make this day better?" She raised her eyebrow, expecting him to say something suggestive (which was typical of him). He spun her around in his arms so that she was facing him, her belly protruded slightly between them making him hold her awkwardly but he went on pretending she didn't notice. "I was just going to say, what would make this day better..." he trailed off looking deeply into her eyes. "is finding out we're having a boy today." She let out a bark of laughter "Really, that's not where I thought you were going with that."

**Meow Libs** Mad Libs,2015-05-26 Mad Libs is the world's greatest word game and the perfect gift for anyone who likes to laugh! Write in the missing words on each page to create your own hilariously funny stories all about cats. Our Meow Libs will keep you and your ADJECTIVE cat purring with laughter! **21st Century Interiors** Beth Browne,2010 More than 50 examples of the world's best contemporary commercial interior design.

**Phonics from A to Z** Wiley Blevins,1998 Provides an explanation of phonics, a method of reading instruction that focuses on the relationship between sounds and their spellings, and features over one hundred activities for the classroom, as well as sample lessons, word lists, and teaching strategies.

**The Return of the Mother** Andrew Harvey,2013-08-20 Adapted from a series of lectures on the historical basis and current resurgence of the sacred feminine, given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994, The Return of the Mother is a profound journey into the heart of the Divine Mother. In this comprehensive and groundbreaking work, mystical scholar Andrew Harvey uncovers traces of the sacred feminine in major world religions—Hinduism, Islam (Sufism), Buddhism, Taoism, and Christianity—and in aboriginal and indigenous wisdom traditions. Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured full knowledge of the Divine Mother, and shows how to reintegrate this vital aspect into the spiritual consciousness of humankind. The Return of the Mother offers a radical new perspective, balancing the historical overemphasis on transcendence by honoring the immanence of the divine in passionate engagement in the world. Only by cultivating a direct, respectful relationship with the transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature, the body, sexuality, and the details of human life, and generate the energy and compassion needed to reverse the course of destruction we have set the planet—and all of life—hurtling toward. In lively question-and-answer sections, Harvey further illuminates these vital issues and takes a strong stand against our dependence on "gurus" and "masters," proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends. The Return of the Mother is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine, and recreate a sacred life-in-the-world.

*Type, Sign, Symbol* Adrian Frutiger,1980

**Milly, Molly and Heidi Untidy** Gill Pittar,2014-05-15 When a mess swallows up an old favourite, it is time to change.The Milly, Molly series has 60 fun filled books. Each one encourages reading confidence and brings the story-telling world to life with colourful illustrations and engaging messages about good values and diversity. Great for fans of The Magic Key (Oxford Reading Tree). An ideal learning tool for readers aged 5+.

**Haiti** Ron Haviv,Simon Winchester,2010-06 A unique, arresting and versatile document of the traumatic earthquake which hit Haiti in 2010 and its aftermath. Encased in a cardboard box, the project comprises 16 unbound posters and a map page which draws attention to the epicentre and its rippling impact on the population of the island. The unique format allows the viewer to absorb each page individually or to hang the entire project. The visual testimony to the events of the the first days after the event are provided by award-winning photographer Ron Haviv and the essay by esteemed writer Simon Winchester.

*Explorations in Typography* Carolina de Bartolo, Erik Spiekermann, Stephen Coles, 2019-08-31 Paperback edition
