Updrift Errin Stevens, 2020-02-15 Since her

father died, Kate Sweeting's home life has been in the pits, her well-being on life support. Her future looks desolate until she and her mother, Cara, make another plan: abandon their shriveled existence for more promising prospects on the coast, where Cara can play small-town librarian-bachelorette and Kate can figure out what's up with that secretive Blake family from the beach. Everyone is eerily captivated with Kate and her mother, and Cara is the first to figure out why when the man of her dreams arrives all dripping and devoted and closed-mouthed about what he intends. Kate is willing to go along with their subterfuge for a while, but eventually makes a charge for the water to learn what her mother is hiding. Gabe Blake is there waiting for her...and so is someone considerably less friendly. By the time Kate navigates her way home, everything will have changed for her-what she feels, what she wants, and what she'll risk to be with the man she loves.

Brown, 2021-06-24 The new gripping YA thriller from online sensation Savannah Brown, author of *The Truth About Keeping Secrets*, *Graffiti*, and *Sweetdark*. Perfect for fans of Karen McManus, Holly Jackson's *A Good Girl's Guide to Murder* and E. Lockhart's *We Were Liars*. When fledgling singer Roxy Raines vanishes from the tiny resort of Sandown, the island's locals refuse to talk about it to any outsiders, dismissing Roxy as a teenage runaway. Thirty years later, seventeen-year-old Mona Perry is convinced there's something more sinister at play. Armed with a suitcase and a microphone - to record her findings for her podcast's listeners - the troubled teen is on a deadline: one hot summer is all she has to get to the bottom of Roxy's story. But as Mona gets drawn into the strange goings on of this isolated community, it becomes clear that nothing is as it seems. Least of all Mona's own past, and the disappearance of someone else, someone much closer to her... How far will she go to uncover the truth? Praise for *The Things We Don't See*: 'A propulsive mystery driven by beautifully raw narration . . . Brown's prose reads like a live wire.' The World Atlas of Tattoo Anna Felicity Friedman, James Elkins, 2015-01-01 A grand tour of the world's great tattoos--Atlas Obscura This book--part global art historical tome, part coffee-table book of visual wonders--is a valuable corrective to many silly things that we assume about tattooing.--The New Republic A lavishly illustrated global exploration of the vast array of styles and most significant practitioners of tattoo from ancient times to today Tattoo art and practice has seen radical changes in the 21st century, as its popularity has exploded. An expanding number of tattoo artists have been mining the past for lost traditions and innovating with new technology. An enormous diversity of styles, genres, and techniques has emerged, ranging from geometric blackwork to vibrant, painterly styles, and from hand-tattooed works to machine-produced designs. With over 700 stunning color illustrations, this volume considers historical and contemporary tattoo practices in Europe, the Americas, the Middle East, North and Sub-Saharan Africa, Asia, Australia, and the Pacific Islands. Each section, dedicated to a specific geographic region, features fascinating text by tattoo experts that explores the history and traditions native to that area as well as current styles and trends. The World Atlas of Tattoo also tracks the movement of styles from their indigenous settings to diasporic communities, where they have often been transformed into creative, multicultural, hybrid

designs. The work of 100 notable artists from around the globe is showcased in this definitive reference on a widespread and intriguing art practice.
