Evolution: the Grand Experiment Dr. Carl Werner, Carl Werner, 2007 Darwin's book on evolution admitted that intermediate links were perhaps the most obvious and serious objection to the theory of evolution. Darwin recognized that the fossils collected by scientists prior to 1859 did not correspond with his theory of evolution, but he predicted that his theory would be confirmed as more and more fossils were found. One hundred and fifty years later, *Evolution: The Grand Experiment* critically examines the viability of Darwin's theory--

Dragons of the Deep Carl Wieland, 2005 Monsters once swam through Earth's oceans, and they were likely the inspiration for ancient sightings by mariners who described fantastic encounters on the open seas. In this colorful new book, Dr. Carl Wieland's laymen-friendly descriptions are complemented by beautiful illustrations. Readers will be amazed that these complex, huge beasts actually lived. This book provides a thoroughly biblical analysis, insisting that these dragons of the sea came into existence during the Creation Week as outlined in Genesis. *Dragons of the Deep* is totally evolution free, explaining the facts about fossils from a biblical perspective--Answers In Genesis.

The Secrets of Black Dean Lighthouse Jack Dey, 2015-02-01 Katie grappled with the nightmare scene, clutching at her hair in desperation. The walls of fear, undermined and partially dismantled by many years of absence from Contention Island began to build its foreboding prison about her again. She had been a fool, lured back into her past, seduced by the idea of gaining control over her nemesis and finally breaking free of his power. And now Becky's recurring nightmares are increasing, drawing her deeper into Katie's agony. But who is Katie? And why is she haunting Becky's dreams? Brett needs to get to the bottom of Becky's night time terrors and release his wife from Katie's increasing influence, an influence that is threatening her very existence. Is it a prophecy of things to come? Or an omen from the past? Adventure. Danger. Intrigue. Love. Courage. Redemption. Come on the journey but be warned, once you are onboard there is no turning back and the consequences will leave your head spinning. A haunting mystery with a sting in its tail.

Paradise Warrior Jack Dey, 2014 When an honoured angel receives a secret mission to protect a baby Earth girl, he is given the heart of a man. Being chosen for such a dangerous assignment is a distinguished honour, the epitome of every warrior's desire, but it means crossing over into the confines of four dimensions and into the Tempter's kingdom. It carries terrible dangers, restrictions and extreme temptations to indulge in the ways of the creatures of the Earth. Will he become part of the problem? The stakes are high and complete evil sets out to win the game whichever way possible. The end justifies the means. Ignorance hides the perpetrators and deceit denies their existence. And we are all part of the game--whether we like it or not. We are the prize and the pawns. It is extremely dangerous to choose to close our minds. One mistake could cost us everything. Thankfully, the battle is not ours and a power far greater than us already knows the outcome. But it is up to us to recognise the enemy and choose to fight on the winning side. Follow the clues, but reserve judgement. You could be an accidental hero. A riveting story of courage, redemption, love and friendship. *Paradise Warrior* is not for the faint hearted. Don't read it alone!
