Papertoy Monsters Brian Castleforte,2010-12-29 A breakthrough paper-folding book for kids—paper airplanes meet Origami meets Pokemon. Papertoys, the Internet phenomenon that's hot among graphic designers and illustrators around the world, now comes to kids in the coolest new book. Created and curated by Brian Castleforte, a graphic designer and papertoy pioneer who rounded up 25 of the hottest papertoy designers from around the world (Indonesia, Japan, Australia, Italy, Croatia, Chile, even Jackson, Tennessee), Papertoy Monsters offers 50 fiendishly original die-cut designs that are ready to pop out, fold, and glue. The book interleaves card stock with paper stock for a unique craft package; the graphics are colorful and hip, combining the edginess of anime with the goofy fun of Uglydolls and other collectibles. Plus each character comes with its own back-story. And the results are delicious: meet Pharaoh Thoth Amon, who once ruled Egypt but is now a mummy who practices dark magic in his sarcophagus. Or Zumbie the Zombie, who loves nothing more than a nice plate of brains and yams. NotSoScary, a little monster so useless at frightening people that he has to wear a scary mask. Yucky Chuck, the lunchbox creature born in the deepest depths of your school bag. Plus Zeke, the monster under your bed, Nom Nom, eater of cities, and Grumpy Gramps, the hairy grandpa monster with his very own moustache collection.

Pen & Ink James Hobbs, 2019-06-01 *Pen & Ink* is packed with page after page of bite-sized creative sketching tips and accessible advice, and offers aspiring artists the freedom to dip in and out for practical information or flick through for fresh inspiration and ideas. Exploring around 200 pieces of artwork by young contemporary artists, *Pen & Ink* highlights and examines the different techniques, qualities, and effects relating to each piece. Organized into chapters according to the technique exemplified (e.g. water soluble, mixed media) artwork is featured large and luscious, accompanied by extended captions, insightful tips, and practical advice. A detailed index at the front of the book also groups the paintings according to three main categories: Principles (e.g. composition), Media, Type of sketch (e.g. abstract), and Subject (e.g. nature). Listing each page where similar examples may be found, this category index enables the reader to easily identify and cross reference subjects that have been painted in similar styles. Throughout the book, useful information and practical tips are provided on a wide range of topics such as tone, perspective, color, and much more besides. Readers are encouraged to discover the various ways in which similar subjects and styles are executed by different artists, while also being inspired to use the tips in the book as a way of building on their existing skills. Offering a bold, refreshing change from other run-of-the-mill art books, *Pen & Ink* adopts the unique approach of accessing practical information via the images, focusing on the way subjects can be treated using a whole range of different drawing techniques, rather than looking at how to master one single style. This gives the reader a much wider skill set—allowing them to capture or create the essence of any image in a variety of different ways.

Original Grin Ron English, 2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie *Supersize Me*; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on *The Simpsons* secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

Burden Falls Kat Ellis, 2021-08-24 *Riverdale* meets *The Haunting of Hill House* in the terrifying new thriller from the author of *Harrow Lake*. Cinematic, clever, and creepy, with a main character that leaps off the page, *Burden Falls* ticks off all my moody thriller boxes. —Goldy Moldavsky, New York Times bestselling author of *The Mary Shelley Club* and *Kill the Boy Band* The town of Burden Falls drips with superstition, from rumors of its cursed waterfall to Dead-Eyed Sadie, the disturbing specter who haunts it. Ava Thorn grew up right beside the falls, and since a horrific accident killed her parents a year ago, she's been plagued by nightmares in which Sadie comes calling—nightmares so chilling, Ava feels as if she'll never wake up. But when someone close to Ava is brutally murdered and she's the primary suspect, she begins to wonder if the stories might be more than

legends—and if the ghost haunting her dreams might be terrifyingly real. Whatever secrets Burden Falls is hiding, there's a killer on the loose . . . with a vendetta against the Thorns. Reads like a horror blockbuster in the best way possible. —PopSugar Superb. —BCCB A great scary story with an even mix of heart and blood. —SLJ Gritty...Spine-tingling...Twisty. —Kirkus

American Salvage Bonnie Jo Campbell, 2009 New from award-winning Michigan writer Bonnie Jo Campbell, *American Salvage* is rich with local color and peopled with rural characters who love and hate extravagantly. They know how to fix cars and washing machines, how to shoot and clean game, and how to cook up methamphetamine, but they have not figured out how to prosper in the twenty-first century. Through the complex inner lives of working-class characters, Campbell illustrates the desperation of post-industrial America, where wildlife, jobs, and whole ways of life go extinct and the people have no choice but to live off what is left behind. The harsh Michigan winter is the backdrop for many of the tales, which are at turns sad, brutal, and oddly funny. One man prepares for the end of the world--scheduled for midnight December 31, 1999--in a pole barn with chickens and survival manuals. An excruciating burn causes a man to transcend his racist and sexist worldview. Another must decide what to do about his meth-addicted wife, who is shooting up on the other side of the bathroom door. A teenaged sharpshooter must devise a revenge that will make her feel whole again. Though her characters are vulnerable, confused, and sometimes angry, they are also resolute. Campbell follows them as they rebuild their lives, continue to hope and dream, and love in the face of loneliness. Fellow Michiganders, fans of short fiction, and general readers will enjoy this poignant and affecting collection of tales.

Mothers, Tell Your Daughters: Stories Bonnie Jo Campbell, 2015-10-05 “Bonnie Jo Campbell is a master of rural America’s postindustrial landscape.” —Boston Globe Named by the Guardian as one of our top ten writers of rural noir, Bonnie Jo Campbell is a keen observer of life and trouble in rural America, and her working-class protagonists can be at once vulnerable, wise, cruel, and funny. The strong but flawed women of *Mothers, Tell Your Daughters* must negotiate a sexually charged atmosphere as they love, honor, and betray one another against the backdrop of all the men in their world. Such richly fraught mother-daughter relationships can be lifelines, anchors, or they can sink a woman like a stone. In *My Dog Roscoe*, a new bride becomes obsessed with the notion that her dead ex-boyfriend has returned to her in the form of a mongrel. In *Blood Work*, 1999, a phlebotomist's desire to give away everything to the needy awakens her own sensuality. In *Home to Die*, an abused woman takes revenge on her

bedridden husband. In these fearless and darkly funny tales about women and those they love, Campbell's spirited American voice is at its most powerful.

Women & Other Animals Bonnie Jo Campbell, 2002-09 An anthology of stories on human relationships. The story, Eating Aunt Victoria, traces the relationship of teenagers and their mother's lesbian lover, while in Bringing Home the Bones an accident in which a woman loses a leg improves her relations with her children.

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Many of the visual motifs come from the 1984 David Lynch movie adaptation of Dune, and drawn in the style of Margaret Wise Brown / Clement Hurd's classic children's book Goodnight Moon.
