Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Water+Ink Coloring Book Winter 2020 Kim Winberry,2019-07-22 I begin my paintings with a sketch and application of colorful/bright pigment and water to the paper. I disrupt the blends with salt or water, watching as one color blossoms in water, as another color starts to travel across the paper. I utilize India Ink to demarcate changes, also adding add swirls other artifacts, in the aim to achieve whimsy. My coloring books are my paintings! I run the paintings through filters and drop the color from them, leaving the lines so that you can add your own color. But wait, there's more... I've added an Augmented Reality component to this. Wonder what colors I used for that piece in the corner there? Take out your phone, download the Zappar app from your app store and zap the code. What happens? At the very least an image of the original painting will pop up and you can see what it looks like, side by side with the coloring page. Beyond that, you'll meet Mist, my liaison to the AR world. She will be a recurring character in all my AR work. Stay tuned and enjoy.

The Mode in Hats and Headdress R. Turner Wilcox,2013-09-26 This stunningly comprehensive survey of hats and headgear from ancient Egypt to mid-20th century illustrates an astonishing range of styles — plumed turbans to modern homburgs, plus images of hairstyles, jewelry, and cosmetics.

One Last Lunch Erica Heller,2020-05-12 In this heartwarming essay collection, dozens of authors, actors, artists and others imagine one last lunch with someone they cherished. A few years ago, Erica Heller realized how universal the longing is for one more moment with a lost loved one. It could be a parent, a sibling, a mentor, or a friend, but who wouldn't love the opportunity to sit down, break bread, and just talk? Who wouldn't jump at the chance to ask those unasked questions, or share those unvoiced feelings? In *One Last Lunch*, Heller has asked friends and family of authors, artists, musicians, comedians, actors, and others, to recount one such fantastic repast. Muffie Meyer and her documentary subject Little Edie Beale go to a deli in Montreal. Kirk Douglas asks his father what he thought of him becoming an actor. Sara Moulton dines with her friend Julia Child. The Anglican priest George Pitcher has lunch with Jesus. And Heller herself connects with her father, the renowned author Joseph Heller. These richly imagined stories are endlessly revealing, about the subject, the writer, the passage of time, regret, gratitude, and the power of enduring love.

Elvira: Mistress of the Dark #12 David Avallone,2020-02-19 The Witch Cult Saga concludes, and a surprise villain returns from Elvira's past! (At least... it's a surprise if you don't look at John Royle's variant cover...) The Mistress of the Dark can deliver you a climax like no other, and here it comes, in the twelfth and final issue of Elvira's ribald romp, brought to you with joy, laughter and terrible puns.

The Official MacGyver Survival Manual Allain Rhett,2019-09-17 Handy (and often hilarious) hacks from the resourceful TV hero. Includes illustrations! For over thirty years, the name MacGyver has been synonymous with astonishing feats of ingenuity, from fixing a car with nothing but water and egg whites to busting out of jail using a hairpin and a pair of repurposed handcuffs to, of course, saving the world with his favorite weapon, a simple paperclip. What you might not know is that every trick that the resourceful secret agent pulls off on CBS's hit show has been tested and fact-checked by experts, and really works . . . most of the time. No one is saying that you should craft a DIY airplane out of trash bags and a lawnmower engine. But with this book, you could. The first official how-to guide to the MacGyver universe, this book is packed with drawings and step-by-step descriptions of the hacks that made this character the world's most resourceful secret agent. It's lots of fun for fans of the new hit series as well as the classic show that started it all—or anyone who enjoys a bit of applied physics and clever problem-solving.

Elvira: Mistress of the Dark #11 David Avallone,2020-01-08 Elvira has had it up to here (well, you can guess where) with this coven cult nonsense, and she's bringing the fight to their home base. She'll show them what's what, and which is witch, in the wickedest way possible. Writer David Avallone (Bettie Page) and artist Dave Acosta (Twelve Devils Dancing) bring you the chills, the thrills and the terrible puns, in the eleventh issue of ELVIRA: MISTRESS OF THE DARK!

Beginners Guide to Goldwork Ruth Chamberlin,2017-02-28 This popular book by Ruth Chamberlin now returns as a Search Press Classic, with an updated design and preface on the author by the illustrious embroiderer Mary Corbet. A needle art that dates back over a thousand years, goldwork embroidery involves sewing with lavish metal threads. It has been prized and often used by religious orders and royal households for its opulence and the way the light glimmers and plays on the beautiful metallic designs. Those in love with this brilliant style of embroidery can now create their own with easy-to-follow, step-by-step guide. Through calm and deliberate instruction, Chamberlin's book aims to teach the reader how to create a personal sampler - a piece of embroidery containing a mixture of designs and stitches, which shall provide a basis for future projects and enable readers to continue on their goldwork journey. With multiple stitch techniques - from simple laid stitch to the more complex basket stitch, several design motifs with corresponding templates that can be used, and a luminous gallery of finished work interspersed throughout, Chamberlin's work gently introduces beginners to the exquisite needle art of goldwork embroidery.

Kyle's Little Sister BonHyung Jeong,2021-06-22 My name is Grace, not Kyle's little sister! Having a good-looking, friendly, outgoing older brother sucks—especially when you're the total opposite, someone who likes staying home and playing video games. Your parents like him better (even if they deny it!), and everyone calls you Kyle's little sister while looking disappointed that you're not more like him. I was really hoping I'd get to go to a different middle school, but no such luck. At least I have my friends...until he finds a way to ruin that, too...! Argh! What do I have to do to get out of his shadow?!
