Preschool Bilingual Education Mila Schwartz,2018-05-23 This volume provides an up-to-date collection of key aspects related to current preschool bilingual education research from a socio-linguistic perspective. The focus is on preschool bilingual education in multilingual Europe, which is characterized by diverse language models and children's linguistic backgrounds. The book explores the contemporary perspectives on early bilingual education in light of the threefold theoretical framework of child's, teachers', and parents' agencies in interaction in preschool bilingual education. Five significant theoretical concepts are promoted in this volume: the ecology of language learning, an educational partnership for bilingualism, a notion of agency in early language development and education, language-conducive contexts, and language-conducive strategies. The volume examines preschool bilingual education as embedded in specific socio-cultural contexts on the one hand and highlights its universal features on the other. The book is a fundamental read for scholars and students of second language teaching, preschool education, and bilingual education in multilingual and multicultural societies.

The Checkout Girl Susan Zettell,2008 It's 1970, and the optimism of Trudeaumania is starting to give way to fears of wage and price controls. In Varnum, Ontario, where the smell of industry is the smell of money, a lot of that money's heading south, just like Bobby Orr. The Checkout Girl is the story of Kathy Rausch, whose life these days is something that just seems to happen to her. After sneaking out on her boyfriend in Vancouver, Kathy moves back to Varnum and hides out in the basement of her high school buddy, Penny Lehman, in a room she shares with Penny's skittish boa constrictor, Freddie. When Kathy isn't checking out groceries, she practices hockey drills. And when she isn't practicing, she's warding off advances from fellow basement dweller Little Barry Bender, ignoring her well-meaning mother Connie, hanging out with her best friend, champion baton twirler Darlyn Smola, and dealing a bit of marijuana for Penny's husband Pete. But when Kathy stumbles upon a brutal murder she is finally driven to put her hockey stick where her heart is: on the ice.

Pissarro's People Richard R. Brettell,2011 KEYNOTE: This definitive portrait of Camille Pissarro by one of the world's foremost authorities on Impressionism and French painting reveals the deep connection between Pissarro's humanitarian concerns and his creative output. Throughout his career, the Impressionist artist Camille Pissarro produced a vast oeuvre of paintings, drawings, and prints inspired by his fascination with and commitment to politics. Many of these works reflect the tensions between his anarchist ideals and the realities of life in a capitalist society; however, most examinations of Pissarro have approached his art and politics as separate spheres. Published to accompany a major exhibition, this survey by a renowned expert on Impressionist painting offers a selection of canvases and works on paper that embody Pissarro's pictorial humanism at the highest level. Exhaustive archival study, interviews with surviving family members, and research drawn from thousands of newly discovered letters inform this rich and authoritative book. Including individual portraits of each of the family members Pissarro so often inserted into his paintings, it also examines his relationships with fellow artists, writers, neighbors, merchants, and domestic servants. The result is a refreshing and landmark reconsideration of the artist's magnificent body of work. AUTHOR: Richard R. Brettell has taught at Northwestern University, the University of Chicago, Yale University, and Harvard University, and is presently Margaret M. McDermott Distinguished Chair of Art and Aesthetic Studies at the University of Texas at Dallas. He is the author of numerous books on painting and Impressionism.
