The Golden Bull Marjorie Cowley,2012-02-01 A brother and sister's search for a new life and new home . . . 5,000 years ago in ancient Mesopotamia during a terrible drought, Jomar and Zefa's father must send his children away to the city of Ur because he can no longer feed them. At fourteen, Jomar is old enough to apprentice with Sidah, a master goldsmith for the temple of the moongod, but there is no place for Zefa in Sidah's household. Zefa, a talented but untrained musician, is forced to play her music and sing for alms on the streets of Ur. Marjorie Cowley vividly imagines the intrigues, and harsh struggle for survival in ancient Mesopotamia.

Abe Lincoln Sterling North,2012-03-28 Abraham Lincoln was born to a poor family on the American frontier. He was a hard worker, but he wanted more than a farmer's life. As he learned about the issues of his day, Abe longed to be a lawmaker himself, so he ran for the state legislature. Soon the farm boy would become the brilliant orator and admired president who finally proclaimed freedom for all Americans. Focusing on Lincoln's childhood and early manhood, this book explores the people and events that shaped one of America's greatest presidents.

The Hitman's Daughter Carolyne Topdjian,2022-02-22 The Château du Ciel was once the destination for the rich and famous to play, drink and ski—complete with a private railway to shuttle those desiring extra privacy—now, however, the guests are few and far between. The New Year's Eve party was supposed to hoist the rundown hotel back to its former status, until a massive blizzard hits, trapping the guests who've come to celebrate the grand hotel's last hurrah. The circumstances might even be romantic, if the hotel wasn't reputed to be haunted. When hotel employee Mave Michael finds the resident artist dead, and shortly thereafter hotel security finds Mave alone with the body, the reputation that Mave has fought long and hard to outrun comes back to haunt her. You see, her father is a notorious hitman who is serving multiple life sentences in prison. She has changed her name and location dozens of times, but he somehow manages to track her down—even sending her a postcard on the eve of her birthday, January 1st. She's the perfect choice to frame for murder, and now the number one suspect. Mave can no longer deny the lessons in survival her father taught her, and calls on that and her uncanny sixth-sense in “finding” lost objects to navigate the maze of the hotel. To save herself, she not only has to stop running from her own past, she must unearth the history of the hotel, its elite guests and buried secrets—one deadly sin at a time. An homage to classic gothic horror, that proves that the ghosts of family and classism are alive and well.

Communist Posters Mary Ginsberg,2020-10 One of the common features of communist regimes is the use of art for revolutionary means. Posters in particular have served as beacons of propaganda--vehicles of coercion, instruction, censure and debate--in every communist nation. They have promoted the authority of state and revolution, but have also been used as an effective means of protest. By their nature, posters are ephemeral, tied to time and place, but many have had far-reaching, long-lasting impact. They are imbued with both artistic integrity and personal conviction--Bolshevik posters, for example, are among the most vibrant, passionate graphics in art history. This is the first truly global survey of the history and variety of communist poster art. Each chapter is written by an expert in the field, and examines a different region of the world: Russia, China, Mongolia, Eastern Europe, North Korea, Vietnam and Cuba. This beautifully illustrated, comprehensive survey examines the broad range of political and visual cultures of communist posters, and will appeal to a wide audience interested in art, history and politics.
