Evolution: the Grand Experiment Dr. Carl Werner,Carl Werner,2007 Darwin's book on evolution admitted that intermediate links were perhaps the most obvious and serious objection to the theory of evolution. Darwin recognized that the fossils collected by scientists prior to 1859 did not correspond with his theory of evolution, but he predicted that his theory would be confirmed as more and more fossils were found. One hundred and fifty years later, *Evolution: The Grand Experiment* critically examines the viability of Darwin's theory--

Original Grin Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie *Supersize Me*; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on *The Simpsons* secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

The Origin of Evil Chuck Missler, When did Satan fall? We know that the angels were created prior to the Earth. We find Satan had already fallen in Genesis 3. The mystery is, when did he fall? It appears that there are substantial Scriptural references to his rebellion, his agenda, and the subsequent catastrophic judgment that ensued. This raises the whole issue of the origin of evil. And why hasn't God simply wiped him, and sin, out completely? It is also disturbing to recognize that Satan tempted Jesus by offering him the kingdom, power and the glory in the temptations recorded in Luke 5. How could Satan lay a legitimate claim to these?
