Sterling Karat Gold Isabel Waidner, 2023-02-07 Like Franz Kafka's *The Trial* for the post-truth era, at once "surreal, polemical, and fun" (The Telegraph). Sterling Beckenbauer is plunged into a terrifying and nonsensical world one morning when they are attacked, then unfairly arrested, in their neighborhood in London. With the help of their friends, Sterling hosts a trial of their own in order to exonerate themselves and to hold the powers that be to account. *Sterling Karat Gold*, in the words of Kamila Shamsie, is "a madly brilliant and deeply sane novel that reveals surrealism as possibly the most effective way of talking about the political moment we find ourselves in." In it, Isabel Waidner concocts a world replete with bullfighters, high fashion, DIY theater, the Beach Boys, and time-traveling spaceships. The acclaimed winner of the 2021 Goldsmiths Prize for fiction that breaks the mold and extends the possibilities of the form, this novel explores the phantasmagoric nature of contemporary life, especially for nonbinary migrants, and daringly revises how solidarity and justice might be sought and won. *Sterling Karat Gold* couldn't be a better North American

introduction to a writer with an irresistible style and unforgettable vision.

Just Add Watercolour Helen Birch, 2015 Just Add Watercolour is an innovative and accessible guide to this most dynamic of artforms, packed with bite-sized creative painting tips and advice, offering aspiring artists the freedom to dip in and out for practical information or flick through for fresh inspiration and ideas. Showcasing nearly 100 works by contemporary artists across a range of different styles and approaches, Just Add Watercolour highlights and examines the different techniques, qualities and effects relating to each piece. Organized into chapters according to

medium and materials (e.g. traditional watercolour, gouache, digital, mixed media) artwork is featured large and luscious, accompanied by extended captions, insightful tips and practical advice. A visual index at the front of the book enables the reader to easily identify a specific painting, style, colour or subject matter. Throughout the book, useful information and practical tips are provided on a wide range of topics such as tone, perspective, colour and much more besides. Readers are encouraged to discover the various ways in which similar subjects and styles are executed by different artists, while also being inspired to use the tips in the book as a way of building on their existing skills. Offering a bold, refreshing change from other run-of-the-mill art books, Just Add Watercolour adopts the unique approach of accessing practical information via the images, focusing on the way subjects can be treated using a range of different watercolour techniques, rather than looking at how to master one single style.

33 Meditations on Death David Jarrett, 2020-04-16 AS FEATURED ON BBC RADIO 4 'Start the Week' : 'very moving - brilliant and profound' Brilliant - a grimly humorous yet humane account of the realities of growing old in the modern age. - Henry Marsh A remarkably likeable guide to a grisly subject ... daunting, yet ultimately life-affirming - Independent What is a good death? How would you choose to live your last few months? How do we best care for the rising tide of very elderly? This unusual and important book is a series of reflections on death in all its forms: the science of it, the medicine, the tragedy and the comedy. Dr David Jarrett draws on family stories and case histories from his thirty years of treating the old, demented and frail to try to find his own understanding of the end. Profound, provocative, strangely funny and astonishingly compelling, it is an impassioned plea that we start talking frankly and openly about death. He writes about all the conversations that we, our parents, our children, the medical community, our government and society as a whole

should be having. And it is a call to arms for us to make radical changes to our perspective on 'the seventh age of man'. - More praise for 33 Meditations on Death: This book will stay with you. - Derren Brown Bursting with empathy, common sense and humour. - Professor Dame Sue Black

Le Corbusier's Maison Curutchet Alejandro Lapunzina, 1997 One of his very few built projects in the Americas, Maison Curutchet is a fascinating representation of Le Corbusier's stylistic transitional period, bridging his late 1920s purism and the maturity of his later work in India. Like Casa Malaparte, this book offers an in-depth analysis of a single building through original documents, drawings, and photographs.

Insatiable Daisy Buchanan, 2022-02-08 'Extremely funny, touching and wonderfully refreshing on women and sexual desire' Marian Keyes 'As filthy as it is funny, you won't be able to put it down' Dolly Alderton Stuck in a dead-end job, broken-hearted, broke and estranged from her best friend:

Violet's life is nothing like she thought it would be. She wants more - better friends, better sex, a better job - and she wants it now. So, when Lottie - who looks like the woman Violet wants to be when she grows up - offers Violet the chance to join her exciting start-up, she bites. Only it soon becomes clear that Lottie and her husband Simon are not only inviting Violet into their company, they are also inviting her into their lives. Seduced by their townhouse, their expensive candles and their Friday-night sex parties, Violet cannot tear herself away from Lottie, Simon or their friends. But is this really the more Violet yearns for? Will it grant her the satisfaction she is so desperately seeking? *Insatiable* is about women and desire - lust, longing and the need to be loved. It is a story about being unable to tell whether you are running towards your future or simply running away from your past. The result is at once tender and sad, funny and hopeful.

Borough Market: Edible Histories Mark Riddaway, 2022-11-10 One of The Times Books of the Year 2020 _____ 'Fascinating and entertaining - a pleasure to read.' Claudia Roden As a nation of food-lovers we have been munching on fruit and veg, drinking tea and coffee and adorning our dishes with oils and spices for generations, but have you ever stopped to wonder how our most beloved foods came to be the way they are now? In this series of enlightening and highly entertaining essays, award-winning food writer Mark Riddaway travels back through the centuries to tell the fascinating, surprising and often downright bizarre stories of some of the everyday ingredients found at London's Borough Market. Discover how the strawberries we eat today had their roots in a clandestine trip to South America by a French spy whose surname happened to be Strawberry, why three-quarters of Britain's late-18th-century intake of tea was sold on the black market, and what Sigmund Freud found so fascinating about eel genitalia. From the humble apples and onions that we've grown on these shores for centuries, to more exotic ingredients like cinnamon and bananas that travel from across the world to finesse our food, Borough Market: Edible Histories offers a chance to digest the charming stories behind every last morsel.
