Advice from Strangers Rachel Parris,2023-03-23 Hilarious and heartbreaking' Sara Pascoe 'Sheer bloody joy' Philippa Perry Over the course of a year, comedian Rachel Parris asked members of her live audience for advice - and here's what she learned from a bunch of total strangers... She takes those random nuggets of wisdom - 'Be kind', 'Never pass up the opportunity for a wee', 'When it doubt, wing it' - and explores them in ways that are entertaining and serious, hilarious and heart-breaking. Full of life guidance on how to deal with everything from tampons to Tories, from grief to gaslighting, this book might just change your life. Grief Works Julia Samuel,2018-01-16 “An honest, practical, as well as emotional guide to working through the processing of mourning” (Vogue.com), Grief Works is a lifeline for all of us dealing with loss and a handbook to help others—from the “expected” death of a parent to the sudden and unexpected death of a child or spouse. Death affects us all. Yet it is still the last taboo in our society, and grief is still profoundly misunderstood. Julia Samuel, a grief psychotherapist, has spent twenty-five years working with the bereaved and understanding the full repercussions of loss. In Grief Works, Samuel shares case studies from those who have experienced great love and great loss—and survived. People need to understand that grief is a process that has to be worked through, and Samuel shows if we do the work, we can begin to heal. “As a guide for the newly grieving, Grief Works succeeds on many levels, and the author’s compassionate storytelling skills provide even broader appeal...and consistently hit an authentically inspiring note” (Kirkus Reviews, starred review). “Illuminating” (The New York Times), intimate, warm, and helpful, Samuel is a caring and deeply experienced guide through the shadowy and mutable land of grief, and her book is as invaluable to those who are grieving as it is to those around them. She adroitly unpacks the psychological tangles of grief in a voice that is compassionate, grounded, real, and observant of those in mourning. Divided into case histories grouped by who has died—a partner, a parent, a sibling, a child, as well section dealing with terminal illness and suicide—Grief Works shows us how to live and learn from great loss. This important book is “essential for anyone who has ever experienced grief or wanted to comfort a bereaved friend” (Helen Fielding, author of Bridget Jones’s Diary).

Totally Fine (And Other Lies I've Told Myself) Tiffany Philippou,2022-09-15 'If Dolly Alderton, Glennon Doyle and Elizabeth Day had a love child, this is the writer they'd produce.' Laura Jane Williams, author and journalist Stylist's Must Read Book for 2022 Evening Standard's Faces to Watch in 2022 Do you have a story that you are scared to tell? A story that you've spent your life trying to escape. I'm going to tell you mine. One day, in the summer of 2008, I was travelling back to London when I received a phone call that suddenly changed everything. I was told my boyfriend Richard was in hospital. He died seven days later. I spent most of my twenties pretending this never happened. I was trapped within my own silence, left alone to absorb the discomfort, blame and judgement of others that I felt after Richard's suicide. I was suffering, but telling everyone that I was totally fine. The shame consumed me and I desperately wanted to find love again, but the rejection and heartbreak that followed proved to me, yet again, that I wasn't worthy of love and belonging. In our twenties, we are thrown into the adult world without a guidebook. I experienced a turbulent decade with what felt like catastrophic failures. Then one day, I started to speak about my shame, and once I started, I couldn't stop. And I've come to realise that shame is like a monster - one that can grow so large that it can hold us back from a life worth living. And that it is only by sharing our stories that we can give a voice to what is unspoken. A voice to the stories that we don't want to tell. So whatever pain you're holding on to, whatever story you're scared to tell, I'm writing this for you. 'I wish I'd had this book to guide me into adulthood.' Sathnam Sanghera, bestselling author of Empireland and The Boy with the Topknot 'Will go a long way to helping those struggling with the stigma and shame that, sadly, persistently surrounds mental health.' How to Carry What Can't Be Fixed Megan Devine,2021-08-10 An illustrated journal for meeting grief with honesty and kindness—honoring loss, rather than packing it away With her breakout book It's OK That You're Not OK, Megan Devine struck a chord with thousands of readers through her honest, validating approach to grief. In her same direct, no-platitudes style, she now offers How to Carry What Can't Be Fixed—a journal filled with unique, creative ways to open a dialogue with grief itself. “Being allowed to tell the truth about your grief is an incredibly powerful act,”

she says. “This journal enables you to tell your whole story, without the need to tack on a happy ending where there isn’t one.” Grief is a natural response to death and loss—it’s not an illness to be cured or a problem to be fixed. This workbook contains no clichés, timetables, or checklists of stages to get through; it won’t help you “move past” or put your loss behind you. Instead, you’ll find encouragement, self-care exercises, and daily tools, including:

- Writing prompts to help you honor your pain and heartbreak
- On-the-spot practices for tough situations—like grocery store trips, the sleepless nights, and being the “awkward guest”
- The art of healthy distraction and self-care
- What you can do when you worry that “moving on” means “letting go of love”
- Practical advice for fielding the dreaded “How are you doing?” question
- What it means to find meaning in your loss
- How to hold joy and grief at the same time
- Tear-and-share resources to help you educate friends and allies
- The “Griever’s Bill of Rights,” and much more

Your grief, like your love, belongs to you. No one has the right to dictate, judge, or dismiss what is yours to live. *How to Carry What Can’t Be Fixed* is a journal and everyday companion to help you enter a conversation with your grief, find your own truth, and live into the life you didn’t ask for—but is here nonetheless.

Notes on Grief Chimamanda Ngozi Adichie, 2021-05-11 From the globally acclaimed, best-selling novelist and author of *We Should All Be Feminists*, a timely and deeply personal account of the loss of her father: “With raw eloquence, *Notes on Grief* ... captures the bewildering messiness of loss in a society that requires serenity, when you’d rather just scream. Grief is impolite ... Adichie’s words put welcome, authentic voice to this most universal of emotions, which is also one of the most universally avoided” (The Washington Post). *Notes on Grief* is an exquisite work of meditation, remembrance, and hope, written in the wake of Chimamanda Ngozi Adichie’s beloved father’s death in the summer of 2020. As the COVID-19 pandemic raged around the world, and kept Adichie and her family members separated from one another, her father succumbed unexpectedly to complications of kidney failure. Expanding on her original New Yorker piece, Adichie shares how this loss shook her to her core. She writes about being one of the millions of people grieving this year; about the familial and cultural dimensions of grief and also about the loneliness and anger that are unavoidable in it. With signature precision of language, and glittering, devastating detail on the page—and never without touches of rich, honest humor—Adichie weaves together her own experience of her father’s death with threads of his life story, from his remarkable survival during the Biafran war, through a long career as a statistics professor, into the days of the pandemic in which he’d stay connected with his children and grandchildren over video chat from the family home in Abba, Nigeria. In the compact format of *We Should All Be Feminists* and *Dear Ijeawele*, Adichie delivers a gem of a book—a book that fundamentally connects us to one another as it probes one of the most universal human experiences. *Notes on Grief* is a book for this moment—a work readers will treasure and share now more than ever—and yet will prove durable and timeless, an indispensable addition to Adichie’s canon.

H Is for Hawk Helen Macdonald, 2015-03-03 New York Times Bestseller: This account of adopting and raising a vicious bird of prey while grieving a father’s death is “a soaring wonder of a book” (The Boston Globe). One of the New York Times Book Review’s 10 Best Books of the Year One of Slate’s 50 Best Nonfiction Books of the Last 25 Years Time’s #1 Nonfiction Book of the Year An instant classic and award-winning sensation, Helen Macdonald’s story of adopting and raising one of nature’s most vicious predators has soared into the hearts of millions of readers worldwide. Fierce and feral, her goshawk Mabel’s temperament mirrors Helen’s own state of grief after her father’s death, and together raptor and human “discover the pain and beauty of being alive” (People). *H Is for Hawk* is a genre-defying debut from a unique and transcendent voice. “Her prose glows and burns.” —The Wall Street Journal “An elegantly written amalgam of nature writing, personal memoir, literary portrait, and an examination of bereavement.” —The Washington Post “Breathtaking . . . Macdonald renders an indelible impression of a raptor’s fierce essence—and her own—with words that mimic feathers, so impossibly pretty we don’t notice their astonishing engineering.” —The New York Times Book Review Named a Best Book of the Year by NPR, O, The Oprah Magazine, Vogue, Vanity Fair, Washington Post, Boston Globe, Chicago Tribune, Seattle Times, San Francisco Chronicle, Miami Herald, St. Louis Post Dispatch, Minneapolis Star Tribune, Library Journal, Publishers Weekly, Kirkus Reviews, Slate, Shelf Awareness, Book Riot

Transcultural Voices Jaspal Naveel Singh, 2021-10-29 This book presents the narratives and voices of young, mostly male practitioners of hip hop culture in Delhi, India. The author suggests that practitioners understand hip hop as both a thing that can be appropriated and authenticated, made real, in the local and global context and as a way that enables them to transform their lives and futures in the rapidly globalising urban environments of Delhi. The dancers, artists, musicians and cultural theorists that feature in this book construct a multitude of voices in their narratives to formulate their ‘own’ transcultural voices within global hip hop. Through a combination of linguistic ethnography, sociolinguistics and discourse studies, the book addresses issues including gender and sexuality, identity construction and global culture.

Finding Joy Gary Andrews, 2020-09-03 'A dad's account of heartbreak and hope' Daily Mail In 2017, illustrator and animator Gary Andrews suddenly lost his wife, Joy, to sepsis, leaving him a widower and single father to two young children. As a way of coping, Gary posted a doodle a day on Twitter, illustrating the ups and downs of family life after Joy's death.
