Devils on the Deep Blue Sea Kristoffer A. Garin, 2006-06-27 In this terrifically entertaining history, journalist Kristoffer A. Garin chronicles the cruise-ship industry, from its rise in the early sixties, to its explosion in the seventies with the hit show *The Love Boat*, to the current vicious consolidation wars and brazen tax dodges. Entrepreneurial genius and bare-knuckle capitalism mate with cultural kitsch as the cruise lines dodge U.S. tax, labor, and environmental laws to make unimaginable profits while bringing the world a new form of leisure. A colorful and compelling behind-the-scenes narrative, *Devils on the Deep Blue Sea* is a definitive look at the industry and its robber barons who created floating empires.

Cruise Sector Growth Alexis Papathanassis, 2009-10-21 Despite representing a fairly small fraction of global tourism activity, the cruise sector has been experiencing a steady growth rate over the last years. The 1st International Cruise Conference (ICC) and its proceedings documented here face the changes which accompany this process of growth. The corresponding refereed papers are organized under the following themes: New trends and innovations, human resource management, information technology and standardization. The underlying motivation behind this collection of works is to bridge the gap between cruise theory and practice, by providing a 'living research agenda' aligned with the cruise sector's realities and needs.

Music Scenes Andy Bennett, Richard A. Peterson, 2004 While more than 80 percent of the world's commercial music is controlled by four multinational firms, most music is made and enjoyed in diverse situations divorced from such corporate behemoths. These fourteen original essays examine the fascinating world of music scenes, those largely inconspicuous sites where clusters of musicians, producers, and fans explore their common musical tastes and distinctive lifestyle choices. Although most music scenes come and go with hardly a trace, they nevertheless give immense

satisfaction to their participants, and a few - New York bop jazz, Merseybeat, Memphis rockabilly, London punk, Bronx hip-hop - achieve fame and spur musical innovations. To date, serious study of the scenes phenomenon has focused mainly on specific music scenes while paying less attention to recurrent dynamics of scene life, such as how individuals construct and negotiate scenes to the various activities. This volume remedies that neglect. The editors distinguish between three types of scenes - local, translocal, and virtual - which provide the organizing framework for the essays. Aspects of local scenes, which are confined to specific areas, are explored through essays on Chicago blues, rave, karaoke, teen pop, and salsa. The section on translocal scenes, which involve the coming together of scattered local scenes around a particular type of music and lifestyle, includes articles on Riot Grrrls, goths, art music, and anarcho-punk. Aspects of virtual scenes, in which fans communicate via the internet, are illustrated using alternative country, the Canterbury sound, postrock, and Kate Bush fans. Also included is an essay that shows how the social conditions in places where jazz was made influenced that music's development.

The Checkout Girl Susan Zettell, 2008 It's 1970, and the optimism of Trudeaumania is starting to give way to fears of wage and price controls. In Varnum, Ontario, where the smell of industry is the smell of money, a lot of that money's heading south, just like Bobby Orr. The Checkout Girl is the story of Kathy Rausch, whose life these days is something that just seems to happen to her. After sneaking out on her boyfriend in Vancouver, Kathy moves back to Varnum and hides out in the basement of her high school buddy, Penny Lehman, in a room she shares with Penny's skittish boa constrictor, Freddie. When Kathy isn't checking out groceries, she practices hockey drills. And when she isn't practicing, she's warding off advances from fellow basement dweller Little Barry Bender, ignoring her well-meaning mother Connie, hanging out with her best friend, champion baton twirler

Darlyn Smola, and dealing a bit of marijuana for Penny's husband Pete. But when Kathy stumbles upon a brutal murder she is finally driven to put her hockey stick where her heart is: on the ice.
