Don't Be Afraid of the Dark: Blackwood's Guide to Dangerous Fairies Guillermo del Toro, Christopher Golden, 2011-08-15 Don't Be Afraid of the Dark: Blackwood's Guide to Dangerous Fairies is a dark and disturbing illustrated novel based on the world of Guillermo del Toro's film "Don't Be Afraid of the Dark." Taking place a hundred years before the movie begins, the book chronicles the travels and explorations of Emerson Blackwood, a young and ambitious natural scientist who quickly discovers there is a mysterious world beyond what his education and peers understand. Follow Blackwood as he travels, discovering more and more about this secret world and the creatures that inhabit it -- creatures that Blackwood quickly realizes are just as interested in him as he is in them, particularly a long-lived and dangerous group of beings that have had centuries of encounters with humanity, creatures that live by eating enamel and bone.... The book, co-written by del Toro and the award-winning Christopher Golden, features illustrations by the director of "Don't Be Afraid of the Dark," Troy Nixey.

Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

The Arapaho Language Andrew Cowell, Alonzo Moss Sr., 2011-05-18 The Arapaho Language is the definitive reference grammar of an endangered Algonquian language. Arapaho differs strikingly from other Algonquian languages, making it particularly relevant to the study of historical linguistics and the evolution of grammar. Andrew Cowell and Alonzo Moss Sr. document Arapaho's interesting features, including a pitch-based accent system with no exact Algonquian parallels, radical innovations in the verb system, and complex contrasts between affirmative and non-affirmative statements. Cowell and Moss detail strategies used by speakers of this highly polysynthetic language to form complex words and illustrate how word formation interacts with information structure. They discuss word order and discourse-level features, treat the special features of formal discourse style and traditional narratives, and list gender-specific particles, which are widely used in conversation. Appendices include full sets of inflections for a variety of verbs. Arapaho is spoken primarily in Wyoming, with a few speakers in Oklahoma. The corpus used in The Arapaho Language spans more than a century of documentation, including multiple speakers from Wyoming and Oklahoma, with emphasis on recent recordings from Wyoming. The book cites approximately 2,000 language examples drawn largely from natural discourse - either recorded spoken language or texts written by native speakers. With The Arapaho Language, Cowell and Moss have produced a comprehensive document of a language that, in its departures from its nearest linguistic neighbors, sheds light on the evolution of grammar.

One Damned Island After Another: The Saga of the Seventh Clive Howard, Joe Whitley, 2019-03-11 Clive Howard and Joe Whitley were both sergeants and served as correspondents for the Seventh Air Force during World War 2. The men of the Seventh were forced to fly the longest missions in any theater of war, entirely over water and, at first, without fighter escort. They fought at Midway, Guadalcanal, Tarawa, Kwajalein, Eniwetok, Truk, Saipan, Palau, the Philippines, Iwo Jima, and finally Tokyo. One Damned Island After Another covers the history of this remarkable air force from the events at Pearl Harbor through to V-J Day, detailing events on every single island that the force landed on in between. This new 2019 edition of One Damned Island After Another includes annotations and original photographs from the Pacific campaigns.

Tropical Renditions Christine Bacareza Balance, 2016-04-22 In Tropical Renditions Christine Bacareza Balance examines how the performance and reception of post-World War II Filipino and Filipino American popular music provide crucial tools for composing Filipino identities, publics, and politics. To understand this dynamic, Balance advocates for a disobedient listening that reveals how Filipino musicians challenge dominant racialized U.S. imperialist tropes of Filipinos as primitive, childlike, derivative, and mimetic. Balance disobediently listens to how the Bay Area turntablist DJ group the Invisibl Skratch Piklz bear the burden of racialized performers in the United States and defy conventions on musical ownership; to karaoke as affective labor, aesthetic expression, and pedagogical instrument; to how writer and performer Jessica Hagedorn's collaborative and improvisational authorial voice signals the importance of migration and place; and how Pinoy indie rock scenes challenge the relationship between race and musical genre by tracing the alternative routes that popular music takes. In each instance Filipino musicians, writers, visual artists, and filmmakers work within and against the legacies of the U.S./Philippine imperial encounter, and in so doing, move beyond preoccupations with authenticity and offer new ways to reimagine tropical places.
