**Japanese Paper Embroidery** Atsumi,Mari Kamio,2015-12-21 Embroidery on paper is a traditional and well-loved craft, here artfully translated into beautiful and understated Japanese designs by Atsumi, Minako Chiba and Mari Kamio. These three talented Japanese crafters have created a range of delightful paper projects that are modern, stylish and fun to make. Each project is accompanied by a full-size template and notes on how to embroider the design, and there are clear and detailed instructions on the materials and tools you require; the essential technique of embroidering on paper; and eleven basic embroidery stitches that can be used individually or in combination to create all of the exquisite designs in the book. Choose from a range of ideas that includes drawing, writing and more creative projects, including paper clocks, notebooks, envelopes, decorations, book marks and cards for all occasions. Suitable for those new to paper embroidery as well as more experienced crafters, this book will excite and inspire anyone with a love of Japanese style and clean, simple design.

Japanese Paper Crafting Michael G. LaFosse,Richard L. Alexander,Greg Mudarri,2007-12-15 Across the country interest in paper crafts is booming. People from all walks of life are creating scrapbooks, making gift cards and learning origami. Washi, a traditional handmade paper originating in Japan, is a perfect accompaniment to these crafts. Japanese Paper Crafting teaches the essentials of making beautiful and unusual washi paper at home. Using diagrams and photographs, this book's step-by-step instructions will show both novice and experienced paper artists how to make washi paper and how to create 17 exciting washi projects with their own handmade paper! Projects include a hand-bound blank book; purses and wallets; desktop and tabletop accessories.

**The Dragon's Gift** Terese Tse Bartholomew,John Johnston,Honolulu Academy of Arts,2008 The Dragon's Gift offers a rare opportunity to introduce, to the wider international audience, some of the most sacred Buddhist images of Bhutan. From the wealth of material surveyed, the organizers of the exhibition have selected over one hundred objects of superior aesthetic achievement and deep religious significance, the vast majority of which have never before been seen in the West. Nearly all of the works of art presented in this catalogue are from active temples and monasteries and remain in ritual use. Most of the items are painted or textile thangkas or gilt bronze sculptures which date primarily from the 17th to the 19th centuries - a golden age in the Buddhist arts of Bhutan. Ranging from depictions of Tantric deities to individualized portraits of Buddhist masters, the exhibition and catalogue present outstanding works of art with a wide iconographic scope. For the Buddhist people of Bhutan, these sacred items are conceived as supports along the journey to enlightenment, and are of vital spiritual significance. Complementing the presentation of sacred works of art is the documentation of the ancient Cham dances of Bhutan, to which the dance preservation team was given privileged entree. Having documented over three

hundred hours of sacred and secular dances, they have made a first assay of one of the few surviving treasures of the trans-Himalayan movement tradition. These differing approaches to the visual and moving arts provide further insight into the unique experience of Buddhism in Bhutan. A brief sampling of the variety of extant dance lineages - some many centuries old - is included on the DVD contained within the catalogue.--Publisher's website.
