Heidi Andrea Helen Smith, 2016-06-25 This paper doll book was inspired by Johanna Spyri's Heidi, one of the most, if not THE most, popular pieces of Swiss literature ever written. The illustrations in this book are paintings (watercolor and digital coloring), which lovingly detail Heidi's story, from her delight with the beauties of her mountain home to her adventures in the big city of Frankfurt. The set includes 7 dolls (6.5-8.5), 12 animals, 22 costumes, and over 70 accessories, as well as two 3-page background settings (Grandfather's House and Mountain Pastures). The illustrations were inspired by clothing and culinary details of the 1800s and of Switzerland. This book was published through Amazon KDP. The paper weight is slightly thicker than ordinary printer paper. The paper weight is the same for both doll/s and costume/s. The artist recommends backing the doll/s with cardstock if a thicker doll is desired (the doll and costumes function perfectly without the added thickness, however).
