**The Definitive Book of Chinese Astrology** Shelly Wu,2010-01-21 This is the only Chinese astrology book you'll ever need! You may be familiar with the Chinese birth-year animals, but did you know you actually have four of them? Each year, each month, each day, and each two-hour period of the day is distinct and denoted by a particular animal sign (branch) and one of the five elements (stems). In The Definitive Book of Chinese Astrology, you will learn how to forecast your love- and life-cycles; understand the indicators of health, wealth, and happiness in your chart; and identify balances and cures. You will also discover Zi Wei Dou Shu, the best-kept astrological secret for millennia and formerly accessible only to royalty. The most accurate and profound divination tool ever discovered—a sort of Dewey decimal system of the universe—this system of astrology will help you identify your inborn capabilities, achievement potential, and life path. Finally, you will learn about the Eastern astrological subspecialties, including the I-Ching, feng shui, 9 Star Ki, and Chinese palmistry. The included interactive CD-Rom makes it easy to create Chinese astrological charts for yourself, your friends, and family members. \*The CD contains 1391 KB of information in total so it is not blank. No previous knowledge of the language is required to follow the text or complete the lessons. The work covers three major areas: 1) descriptions of Chinese characters and their components, including stroke types, layout patterns, and indications of sound and meaning; 2) basic brush techniques; and 3) the social, cultural, historical, and philosophical underpinnings of Chinese calligraphy—all of which are crucial to understanding and appreciating this art form. **The Tao of Craft** Benebell Wen,2016-09-27 For the first time in English, Benebell Wen reveals the rich history and theoretical principles underlying the ancient practice of crafting Fu talismans, or magical sigils, in the Chinese Taoist tradition and gives detailed instructions for modern practitioners who would like to craft their own Fu. Fu talismans are ideograms and writings typically rendered on paper and empowered by means of invocations, ritual, and transferences of energy, or Qi. Talismans can be used for many purposes, such as strengthening or weakening personality characteristics, finding love, earning more money, or easing emotional tensions in the home. The Tao of Craft shows how metaphysical energy can be harnessed to amplify, strengthen, weaken, dispel, or block other metaphysical energy and to rectify perceived imbalances in the material plane. Supported by an abundance of detailed charts and images, this book serves as a step-by-step handbook that gives readers the knowledge and confidence to craft their own Fu talismans for personal empowerment. Wen, author of Holistic Tarot, delves into historic and cultural contexts of the Fu, from the neolithic period of Chinese history to contemporary practices of esoteric Taoism. Providing a solid foundation in the principles of Eastern spellcrafting, she highlights the blending of Taoist metaphysical practices with Western approaches to magic by pointing out eclectic, integrating, and harmonizing facets from other cultures and religions. Historically, Fu talismans were used by medieval Chinese for alleviating illness; averting misfortune, magical attacks, and curses; defending against assaults; and avoiding poverty. This book shows Western practitioners that the skill and knowledge to develop an interactive relationship with spirit realms are still available to them today, and serves as a practical handbook for accumulating Qi energy from sources in the environment and channeling it in concentrated form into their own Fu talismans.

**Mesopotamian Planetary Astronomy-astrology** David Brown,2000 Pliny wrote of Babylon that here the creator of the science of astronomy was. Excavations have shown this statement to be true. This book argues that the earliest attempts at the accurate prediction of celestial phenomena are indeed to be found in clay tablets dating to the 8th and 7th centuries BC from both Babylon and from Nineveh. The author carefully situates this astronomy within its cultural context, treating all available material from the relevant period, and also analysing the earlier astrological material and the later well-known ephemerides and related texts. A wholly new approach to cuneiform astral concerns emerges - one in which both celestial divination and the later astronomy are shown to be embedded in a prevailing philosophy dealing with the ideal nature of the early universe, and in which the dynamics of the celestial divination industry that surrounded the last Assyrian monarchs account for no less than the first recorded scientific revolution. This work closely adheres to the original textual sources, and argues for the evolution on the basis of the needs of the ancient scholars and the internal logic of the divinatory and predictive systems employed. To this end, it offers, for the first time, a Mesopotamian contribution to the philosophy, and not only the history, of science.

*Out of the Devil's Cauldron* John Ramirez,2012 Have you ever wondered if Satan is real? In his book Out of the Devil's Caldron: A Journey from Darkness to Light, John Ramirez tells the story of how he was trained to be the third-ranked high priest of a satanic cult in New York City-casting powerful witchcraft spells and controlling entire spiritual regions. But what started as a long spiral into the underworld ended in a miraculous encounter with Jesus Christ that changed the course of his life. Let John Ramirez walk you through the dark alleys of this world as he uncovers the hidden secrets of darkness through his powerful testimony. People from all ethnic backgrounds dabble in the occult and fall victim to this satanic underworld, never seeing the way out. John Ramirez is one in a million who made it out. John Ramirez's home church for the past nine years has been Times Square Church in New York, founded by David Wilkerson. John has been blessed with the opportunity not only to attend there and sit under the Word and mature spiritually, but the Lord opened the door through the security ministry to form a tight bond between him and Pastor Dave. For two and a half years John had the privilege and blessing to walk with Pastor Dave, and he became a spiritual father to John. He prayed with him, laid hands on him, and even read the manuscript of Out of the Devil's Cauldron before the book was published, giving his blessing. Pastor Dave was so touched by John's testimony that one night he brought him up on stage to have him share his story with the congregation. In the 1950s, Pastor Dave had a young Nicky Cruz in his life. When Nicky told Pastor Dave I will cut you into a thousand pieces, through the Holy Spirit Pastor Dave said, Nicky, if you cut me into a thousand pieces, all one thousand pieces would say 'Jesus loves you.' Many years later, David Wilkerson through the Holy Spirit said to John Ramirez, I see Jesus in you. And those words forever changed John's life, to go minister anywhere in the world. Today, John Ramirez says, Thank you, Pastor Dave, for seeing Jesus in me. John Ramirez is a sought-out speaker by many who want to hear of his involvement in the highest levels of the occult and how he got out. He speaks at churches, schools, rallies, and conferences--both secular and Christian--and has been a featured guest on TV and radio programs.
