*Comparative Archaeologies* Ludomir R Lozny,2011-04-06 Archaeology, as with all of the social sciences, has always been characterized by competing theoretical propositions based on diverse bodies of locally acquired data. In order to fulfill local, regional expectations, different goals have been assigned to the practitioners of Archaeology in different regions. These goals might be entrenched in local politics, or social expectations behind cultural heritage research. This comprehensive book explores regional archaeologies from a sociological perspective—to identify and explain regional differences in archaeological practice, as well as their existing similarities. This work covers not only the currently-dominant Anglo-American archaeological paradigm, but also Latin America, Western and Eastern Europe, Asia, and Africa, all of which have developed their own unique archaeological traditions. The contributions in this work cover these alternative archaeologies, in the context of their own geographical, political, and socio-economic settings, as well as the context of the currently accepted mainstream approaches.

*Knit the Nativity* Jan Messent,2012-08-01 This hugely successful Christmas favourite has been completely reworked for modern knitters. The pieces have all been knitted in today's yarns, taking advantage of the variety of sparkling and novelty yarns now available, and the nativity scene has been recreated and photographed using Jan Messent's excellent patterns and instructions. The nativity scene is small enough to be manageable yet large enough for many people to have a hand in its making, from the older, more experienced knitter to the youngest beginner; there is even a yarn wrapping activity for young fingers (the making of the stable wall), making this the perfect project for a school, church, knitting group, family or community. The materials needed are simple and inexpensive; the knitted figures and items are assembled using box card, and the patterns allow for individual interpretation in the yarn and stitch patterns. The knitting patterns are clearly presented and there is plenty of advice on all the knitting processes. Full patterns, diagrams and drawings show how to make the stable and stars, Mary, Joseph, the infant and manger, an ox, donkey and sheep, shepherds, an angel, children and wise men. Knit and assemble your own beautiful nativity scene to be enjoyed for years to come.

In *Saints Around the World*, you'll meet over one-hundred Saints from more than sixty countries, including Saints with different disabilities, strengths, and struggles. The beautiful illustrations and captivating storytelling will introduce you and your children to new heavenly friends while also helping you fall more in love with Jesus. Each story in this book is written not only to capture the imagination but also to speak about God's tremendous love and our call to be saints. There are stories in *Saints Around the World* for when you feel like life isn't fair, when people are being unkind to you, when you've made a terrible mistake, when you're struggling at school, when prayer is hard. And there are stories of shouting down Nazis, of fleeing a murderous villain, of making scientific discoveries, of smoking a cigar while enemy soldiers amputate your leg. There are scared Saints, brilliant Saints, weak Saints, adventurous Saints, abused Saints, overjoyed Saints, disabled Saints—and the point of every one of them is the love of God.
