An elf cannot come to a celebration, though, unless it is invited.

Fair Play Eve Rodsky, 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all

aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try *Fair Play*? Let's deal you in.

When Elves Attack Tim Dorsey, 2011-10-25 “The undisputed king of the comic crime novel.” —Providence Journal Nobody does Florida weirdness quite like Tim Dorsey! Case in point: *When Elves Attack*, the New York Times bestselling author’s twisted Christmas present to his legion of adoring fans who can’t get enough of thrill-killer and Sunshine State historian Serge A. Storms, the most endearing psychopath since Dexter. Dorsey offers the perfect antidote for all those sappy feel-good holiday stories with this zany blockbuster extravaganza in which his wonderfully deranged serial killer Floridaphile delivers his special brand of Christmas cheer. More

outrageous than Santa Claus in a Speedo, *When Elves Attack* serves up a Yuletide feast of the “pure gonzo humor” the New York Times Book Review enthusiastically attributes to this fearlessly funny writer. Think *Bad Santa* and National Lampoon’s *Family Vacation*, blend in Dorsey’s trademark appetite for destruction, and you’ve got hilarious crime fiction black comedy that anyone would be thrilled to discover stuffed in their Christmas stocking.
