Making Christmas Bright With Papercrafts Alice Hornecke, Dominik Meißner, Sabine Seyffert, 2020-08-12 This delightful collection of 43 papercraft projects will put everyone in a festive mood with a wide range of decorative suggestions for the home and holiday table, including Christmas tree ornaments, packaging, and gift-giving ideas. Ideal for papercrafters at every level of experience, the book overflows with photos, templates, and instructions for an origami wreath, cut-out snowflakes, place setting accessories, and much more.

Recycling Christmas Cards Anneke Lipsanen, 2014-09-10 If you are a crafter, teacher or parent interested in recycling Christmas cards, then you will love these pretty eco crafts, ideas and special templates to repurpose your used Holiday cards into charming new crafted items. The full color book with instructions and photographs for the 50 projects, plus the template collection with easy craft templates, are all you need to give used greeting cards a second life. The templates are designed and adapted for greeting card sizes and can be used again and again. Don't throw away those beautiful cards after the very short holiday period! Create nifty new items for fabulous scrapbooking, pretty packaging, little personal gifts, fun favors, small tokens of appreciation, creative containers, decor, decorations and ornaments! There are bonus projects, printable pattern paper and a second set of blank craft templates too. Make them for yourself, or to sell at craft markets and fundraising events. And use them for school arts and crafts projects too, as many projects are suitable for children. No fancy coordinated craft shop designs or expensive embellishments are needed. Just use what you have on hand. The happy patchwork medley is exactly what makes the projects in Recycling Christmas Cards so charming. Those lavish graphics on greeting cards were created by professional designers and make fabulous crafting material for pennies on the dollar - and in sturdy cardstock to boot. They are just waiting for the new life you can give them. Folks love to browse craft fairs and the likes for those inexpensive little something gifts. Many projects are geared towards such little gifts and stocking stuffers. Crafters will love the 45 craft templates in the book, as they have the perfect size for the projects. (Suggestions for recycling Christmas cards are easy to find, but finding templates that are ready to use and scaled to size are not). For convenience the templates are also available as printable downloads. If you have some odd cards left in a box somewhere, you can start your crafting straight away. Then ask friends, family and neighbors for theirs, as you will soon need (and want) a lot of cards. You can even arrange collection boxes at super markets, clubs and such. It is not just about recycling Christmas cards, but about recycling Christmas fun - all year long! So keep every one of your cards and get started for the next Holiday season, because 40 million recycled cards save 13 600 trees! Reuse, remake, repurpose, reduce, recycle and rethink!

Christmas: A Book of Stencils Penny Vedrenne, 2007-08-01 This collection of stencils includes Santa Claus, a Reindeer, a Christmas Tree (with options for decorations), a Candle with Holly Accents, Bells & Bow, a Gingerbread Boy, a Gingerbread Girl, and a string of Lights. For artists and crafters, Christmas is the time of year when your creativity is in full swing. We thrive on making our own decorations and creating special gifts for our friends and family which also includes the wrapping. This collection was designed with a variety of most loved Christmas images. Use the string of Christmas Lights to create stationary or cards. Paint any of the other images on bags (cloth or paper) and enclose your gifts for a special wrapping. Just use your imagination and the possibilities are endless! My goal was to create a project for the artist or crafter that would be easy enough to complete in a minimal amount of time and yet leave you with an art piece only lacking of your individual touches. These stencils are designed to inspire your creativity!

Christmas Crochet Decorations Susanna Catena,2019-11-22 Here he comes back: Christmas is coming! The days get shorter and the evenings get

longer. This period is also characterized by the joyful expectation of light. We hug each other, we warm ourselves with candle lights and the fireplace. We sweeten the wait with hot drinks and spices that warm up like cinnamon, cloves and cardamom. We prepare Christmas cakes and biscuits and ... rediscover the crochet hook! In this collection I have included a wide range of proposals for crochet lovers. For most people the Christmas tree is the most beautiful Christmas symbol and obviously the most passionate of the crochet works will want to show off their creativity also in the realization of the decorations for their Christmas tree. For this reason, Christmas balls could not be missing in this collection; the Christmas decorations par excellence proposed in 3 variants! There are also beautiful soft saplings to hang even in the Christmas tree or where you prefer to beautify the house. For your Christmas table, I propose star-shaped candle holders that can be used in the center of the table to enrich it or as a placeholder for every person present at our table. Finally, the unmistakable touch of elegance of the shabby could not be missing, brought back into a Christmas context to make everything shine with refinement, with a wreath to hang outside the front door to welcome all our guests! Crochet is fun! Just start a job to see it grow quickly: it will be ready in a short time! I have collected the most beautiful models: let yourself be inspired. In any case, the fun is guaranteed !!
