**Santa Clauset** Debra C. Hoggan,Santa Claus,2011-07-01 Elves make toys. They also make mistakes. Santa Claus discovers imperfect toys have been hidden by the elves in a clauset in his toy shop. The Santa Clauset toys feel lonely and forgotten. When Santa discovers them, he explains even Santa Claus is made with flaws, and all toys need a child to love them. These special toys can't wait until Christmas, so Santa calls Polar Bear Post to urgently mail the Santa Clauset toys to unsuspecting children. From funny mistakes elves make, to the shock of a North Pole package on the porch, Santa Clauset is both magical and...REAL. Real children are finding real Santa Clauset toys on their doorsteps delivered by Polar Bear Post. Will Santa choose you?

The Santa Toy Story Cole Son,2020-12-23 The Santa TOY Story is a new and exciting series in the Santa Claus saga. Written for the whole family and especially for kids ages five to eleven. Products and music are also available: [www.TheSantaTOYStory.com](http://www.TheSantaTOYStory.com)It was almost time for Santa to embark on his tireless journey around the world and make sure every child's wish was fulfilled and that every kid had joy in their hearts. There was nothing that would hurt Santa more than knowing one single child had been missed and for this very reason, he was the only person in the world who could do this enormous job but not without the help of his magical team of elves and fairies. Yes, the fairies of the far north had joined with Santa and in this special story you will soon find out why All year long Santa had been planning for this special day and it was now almost time as he walked towards the fireplace where he would sit every night with his favorite group of elves who were in command of making sure the right toys were being made and that the absolute

correct wishes would be fulfilled on Christmas day. Gifts and presents did not come only in material form but also in the form of a wish and nothing could be missed to make sure every Christmas a perfect Christmas. The job was getting even more difficult as the world grew bigger every year and more and more children were being born but Santa had full confidence in himself and his team. His precious reindeer and his elite team of magical elves would command an army of workers throughout the year, and the toy factory ran twenty-four hours a day to make sure they would not fail this Christmas. As usual, Santa did his rounds around the elf village in the very far North Pole, making sure that everything was in perfect order. That the sleigh was in good working condition, that the reindeer were well-rested, and also that every single toy was accounted for according to the long list that was managed by Alabaster Snowball. He was smart and strict and had his eyes on every child's name on the planet. But this Christmas there were a few surprises installed for Santa that would test his ability and bring him to the brink of failure. Could he overcome the obstacles he never expected would happen?

**Santaland Diaries** David Sedaris, 2010-08-05 A collection of surprising, disarming and 'extremely funny' essays from the internationally bestselling author of *Me Talk Pretty One Day* (Sunday Times) Santaland Diaries collects six of David Sedaris's most profound Christmas stories into one slender volume perfect for use as a last-minute coaster or ice-scraper. This drinking man's companion can be enjoyed by the warmth of a raging fire, the glow of a brilliantly decorated tree, or even in the back seat of a police car. It should be read with your eyes, felt with your heart, and heard only when spoken to. It should, in short, behave much like a book. And oh, what a book it is! Letters to Santa Claus The Elves, 2015-10-05 A "poignant" collection of real letters sent to Santa Claus—a town in Indiana—from the 1930s to the twenty-first century, from both children and adults (The New York Times). For countless Christmases, children—and sometimes adults—have stuffed their dreams, wishes, and promises into envelopes. Over many decades, millions of these letters have poured into Santa Claus, Indiana. Arriving from all corners of the globe, the letters ask for toys, family reunions, snow, and help for the needy—sometimes the needy being the writers themselves. They are candid, heartfelt, and often blunt. Many children wonder how Santa gets into their chimneyless homes. One

child reminds Santa that she has not hit her brothers over 1,350 times that year, and another respectfully requests two million dollars in “cold cash.” One child hopes to make his life better with a time machine, an adult woman asks for a man, and one miscreant actually threatens Santa’s reindeer! Containing more than 250 actual letters and envelopes from the naughty and nice reaching back to the 1930s, this moving book will touch hearts and bring back memories of a time in our lives when the man with a white beard and a red suit held out the hope that our wishes might come true. “Often very affecting . . . also offers an unusual window into American history.” —Library Journal “The letters . . . are alternately silly and somber, hilarious and heartfelt.” —The Weekly Standard
