Made to Play! Joel Henriques, 2011-10-11 Delight young children and encourage play through unique handmade toys. From sewn and stuffed musical instruments to interlocking paper building blocks and wooden animal figurines, the projects in this book are meant to encourage open-ended play. Organized by kid-loving subjects, the toys here follow the themes of Zoo; House; Blocks, Cars & Trucks; Dress-Up; Music; and Art. Overall, the projects here are meant to stimulate imagination, build confidence through success and enjoyment, and enhance the bond between family and friends through the creation of unique, artistic handmade toys and crafts. The thirty-five projects in this book include a variety of crafts, from drawing to sewing and light woodworking. The toys presented here are made out of wonderfully tactile materials—repurposed fabrics, wood, and paper—and invite opportunities for creative and imaginative play. Every project is easy to complete, made with accessible materials, and requires little time to make. The projects are simple enough that endless variation can come from the making of each, leaving enough room for you to make the item to suit your own personal interests. With a design aesthetic that is clean, simple, and modern, each project is presented with full-color photos and hand-drawn instructional illustrations and templates. Projects include: • Modern Doll House and Doll House Furniture • Portable Zoo Animals • Abstract Vertical Puzzle • Wooden Nature Scene • Bottle-Cap Tambourine • Exploration Cape • Modern Alphabet Game • Shadow Puppet Theater • And more!

The Shadow 1941 Dennis O'Neil, 2013 On Easter Sunday of April 1941, a young woman pushes through the holiday crowds, racing for her life through the streets of Manhattan. It's a chase that leads from the bustling American metropolis all the way to Berlin, the dark heart of the Nazi regime... a chase of screeching taxis and motorcycle escapes, of a fantastic battle between a German U-boat and an autogyro over Coney Island! Like marionettes dangling from invisible hands, neither Allies nor Axis agents can tell if they are the puppeteers... or the dolls whose strings get cut! Behind it all, The Shadow looms, a master of men with cold, hollow laughter and blazing .45 pistols! The acclaimed, complete *Shadow 1941*: Hitler's Astrologer collaboration of Batman scribe Denny O'Neil and artist Mike Kaluta, available for the first time in over two decades, completely remastered!

Paper Wishes Lois Sepahban, 2016-01-05 Ten-year-old Manami did not realize how peaceful her family's life on Bainbridge Island was until the day it all changed. It's 1942, after the attack on

Pearl Harbor, and Manami and her family are Japanese American, which means that the government says they must leave their home by the sea and join other Japanese Americans at a prison camp in the desert. Manami is sad to go, but even worse is that they are going to have to give her and her grandfather's dog, Yujiin, to a neighbor to take care of. Manami decides to sneak Yujiin under her coat and gets as far as the mainland before she is caught and forced to abandon Yujiin. She and her grandfather are devastated, but Manami clings to the hope that somehow Yujiin will find his way to the camp and make her family whole again. It isn't until she finds a way to let go of her guilt that Manami can reclaim the piece of herself that she left behind and accept all that has happened to her family.
