Scandinavian Christmas Cut-N-Make Book Anneke Lipsanen,2017-11-24 The Anni Arts Scandinavian Christmas printable crafts are now available in a Cut-n-Make Book. Easy, pre-printed paper crafts in full colour are ready to cut, glue and make. No need to print! Folksy Scandinavian Holiday clip art for handmade cards, paper crafts, delightful little gifts and decor for 'Jul' celebrations have the traditional look of Scandi folk art. The original watercolour illustrations for these crafts were done in the style of painted Scandinavian folk toy horses. The look was extended to items and craft elements not usually associated with this style: an elk, reindeer, julbock, Christmas tree and braids. The crafts have instructions on the printed pages themselves, and there is a section with general instructions and tips too. However, the crafts are so easy that non-English crafters will also be able to make them without the need for the instructions. Only the most basic craft equipment is needed: scissors, glue, a paper scorer and hole punch are sufficient. The crafts are beautifully designed to form a coordinated series and small elements can be applied in a mix and match manner. The Scandinavian Christmas designs are also available as digi downloads, are on craft CDs or USBs, as well as on fun holiday products. God Jul!
