Christmas Snowflakes 2 Jamie Brocco,2023-09-12 The Christmas Snowflakes Series reintroduces the art of making paper snowflakes. The snowflake designs will help creative readers and their beneficiaries remember our Savior, Jesus Christ, during the busy Christmas Season. Each book has 25 patterns + 6 bonus patterns (Christmas is on the 25th, and December has 31 days), at least one XL 20 pattern, and templates for folding practice. Although snowflake patterns are provided, hopefully readers will gain the confidence to create their own snowflakes. With a wide audience of eight years old and up, readers can share their snowflake creations on Facebook, Instagram, etc. I am looking forward to seeing how readers will express themselves within the art of snowflakes! The first book of the Christmas Snowflake Series starts very simply and focuses on the humble shepherds. Pictures and descriptions show how a sheep's face can be created with a series of paper punches: simple shapes creating the desired image. Snowflakes can be pressed flat, but fold lines are intentionally left to show how the snowflakes are made. The second book moves to an intermediate level to enhance your paper crafting skills.
