David Guymer

*Music Scenes* Andy Bennett,Richard A. Peterson,2004 While more than 80 percent of the world's commercial music is controlled by four multinational firms, most music is made and enjoyed in diverse situations divorced from such corporate behemoths. These fourteen original essays examine the fascinating world of music scenes, those largely inconspicuous sites where clusters of musicians, producers, and fans explore their common musical tastes and distinctive lifestyle choices. Although most music scenes come and go with hardly a trace, they nevertheless give immense satisfaction to their participants, and a few - New York bop jazz, Merseybeat, Memphis rockabilly, London punk, Bronx hip-hop - achieve fame and spur musical innovations. To date, serious study of the scenes phenomenon has focused mainly on specific music scenes while paying less attention to recurrent dynamics of scene life, such as how individuals construct and negotiate scenes to the various activities. This volume remedies that neglect. The editors distinguish between three types of scenes - local, translocal, and virtual - which provide the organizing framework for the essays. Aspects of local scenes, which are confined to specific areas, are explored through essays on Chicago blues, rave, karaoke, teen pop, and salsa. The section on translocal scenes, which involve the coming together of scattered local scenes around a particular type of music and lifestyle, includes articles on Riot Grrrls, goths, art music, and anarcho-punk. Aspects of virtual scenes, in which fans communicate via the internet, are illustrated using alternative country, the Canterbury sound, postrock, and Kate Bush fans. Also included is an essay that shows how the social conditions in places where jazz was made influenced that music's development.

**Deathtrap Dungeon** Ian Livingstone,2009 Baron Sukumvit's devilish labyrinth of Fang is riddled with fiendish traps and bloodthirsty monsters.

*Achtung-Panzer!* Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

**3060** Herbert Beas,Randall N. Bills,Hugh Browne,Loren L. Coleman,Dan Grendell,Chris Hartford,2010-01-31

*Art of He-Man and the Masters of the Universe* Various,2015-04-28 In 1983, the world was introduced to He-Man and the Masters of the Universe. What followed was a cultural sensation that changed the landscape of children's entertainment forever! Join Mattel and Dark Horse in this comprehensive retrospective chronicling He-Man's decades-long epic journey from toy, to television, to film, to a true pop culture phenomenon!

**FLAMES OF FREEDOM Grim & Perilous RPG** Richard Iorio,Daniel D. Fox,2021-09-28 FLAMES OF FREEDOM is an American Gothic horror tabletop role-playing game, based on the award-winning ZWEIHÄNDER RPG. It is the dawn of the American Revolutionary War of 1776. A tangled web of conspiracy spans North America. It does not matter what your creed, color, culture, faith or gender is—all stand together in the war for survival. Every Rebel patriot holds Thomas Paine's Common Sense aloft as they take up arms against the British Empire. The city of Boston is occupied by the Red Coats, surrounded by Rebel militias. But as the revolution has begun, something far more mysterious stirs. Agents of the occult entreat both the Continental Army and British Empire. Freemasons conspire in the City of Brotherly Love. Maryland is in the throes of a witch hunt by the Knights Templar. Amid the chaos, other grim fairy tales have emerged. Ghouls have been tunneling beneath Boston. There are sightings of witches in the Great Dismal Swamp. Indigenous sachem speak of devils who walk among the living. The Leeds Devil haunts the Pine Barrens of New Jersey. And worse still, a shadowy collective called "The Mandoag" seeks to consume all, Loyalists and Rebels alike. In this game, most people have either chosen to deny the supernatural or rationalize it away. A rare few accept it for what it is to act. You are among those heroes and destined for greatness... or death. This alternative history game includes most of what you need to play: a player's handbook, a game master's guide, a bestiary, and an introductory adventure set in Boston. All that's left are a few friends, pencils and a handful of dice. FLAMES OF FREEDOM is an American Gothic horror tabletop role-playing game, based on the award-winning ZWEIHÄNDER RPG.

*Slayer* David Guymer,2016-08

*GURPS Psionics* David L. Pulver,2003-05 -- Adds many new mental powers to GURPS...lets players create more powerful characters. -- By one of the GURPS system's most popular authors.

**Guitar Cultures** Andy Bennett,Kevin Dawe,2020-05-18 The guitar is one of the most evocative instruments in the world. It features in music as diverse as heavy metal, blues, indie and flamenco, as well as Indian classical music, village music making in Papua New Guinea and carnival in Brazil. This cross-cultural popularity makes it a unique starting point for understanding social interaction and cultural identity. Guitar music can be sexy, soothing, melancholy or manic, but it nearly always brings people together and creates a common ground even if this common ground is often the site of intense social, cultural, economic and political negotiation and contest. This book explores how people use guitars and guitar music in various nations across the world as a musical and symbolic basis for creating identities. In a world where place and space are challenged by the pace of globalization, the guitar provides images, sounds and styles that help define new cultural territories. Guitars play a crucial part in shaping the commercial music industry, educational music programmes, and local community atmosphere. Live or recorded, guitar music and performance, collecting and manufacture sustains a network of varied social exchanges that constitute a distinct cultural milieu. Representing the first sustained analysis of what the guitar means to artists and audiences world-wide, this book demonstrates that this seemingly simple material artefact resonates with meaning as well as music.

*After Promontory* Center for Railroad Photography and Art,2019-03-01 Celebrating the sesquicentennial anniversary of the completion of the first transcontinental railroad in the United States , *After Promontory: One Hundred and Fifty Years of Transcontinental Railroad* profiles the history and heritage of this historic event. Starting with the original Union Pacific—Central Pacific lines that met at Promontory Summit, Utah, in 1869, the book expands the narrative by considering all of the transcontinental routes in the United States and examining their impact on building this great nation. Exquisitely illustrated with full color photographs, *After Promontory* divides the western United States into three regions—central, southern, and northern—and offers a deep look at the transcontinental routes of each one. Renowned railroad historians Maury Klein, Keith Bryant, and Don Hofsommer offer their perspectives on these regions along with contributors H. Roger Grant and Rob Krebs.

*The Pale Fox (Paperback)* Paperback Marcel Griaule,1986-12

*Psychobook* Julian Rothenstein,2016-09-06 Who knew a trip to the therapist could be so much fun, even aesthetically rewarding? Beyond sharing feelings or complaining about your mother, *Psychobook* reveals the rich history of psychological testing in a fascinating sideways look at classic testing methods, from word-association games to inkblots to personality tests. *Psychobook* includes never-before-seen content from long-hidden archives, as well as reimagined tests from contemporary artists and writers, to try out yourself, at home or at parties. A great ebook for the therapist in your life and the therapist in you, for anyone interested in the history of psychology and psychological paraphernalia, or for anyone who enjoys games and quizzes. *Psychobook* will brighten your day and outlook.

*Junta from Brisvegas* Josiah Navarro,2021-10 Josiah Navarro's Junta artwork including contributions from 130+ artists from all over the world.

**Adventure Kartel** Ashley Wood,2014-10-28 This gorgeously oversized hardcover from the creators of *Lore* presents the comics, posters, conceptual designs, sketches, and other beautifully rendered miscellany involving Tommy Mission and his Adventure Kartel in their battles with Zomb MD and his undead minions. Ashley Wood's artistry is available to all on a grand 11 x 17 format!

**Slayer - Gotrek & Felix** David Guymer,2015-04-01 For many long years, Felix Jaeger has followed the dwarf Slyer Gotrek Gurnisson across the world. Their adventures have been extraordinary; their heroic partnership

the stuff of legends. Now it ends. With their friendship in tatters after a series of betrayals, the pair marches south at the head of a ragtag army, intent on driving the forces of Chaos out of the Empire and returning Felix to his wife. But Gotrek's doom is at hand, and great powers are at work to ensure that he meets it. With enemies on all sides and destiny calling, Felix must make a choice - to follow Gotrek into the darkness that awaits him, or to abandon his oldest friend once and for all. Previous titles: Gotrek & Felix: Kinslayer - 9781849707299 Deathblade: A Tale of Malus Darkblade - 9781849707992
