**David Guymer**

**Music Scenes** Andy Bennett, Richard A.

Peterson, 2004 While more than 80 percent of the world's commercial music is controlled by four multinational firms, most music is made and enjoyed in diverse situations divorced from such corporate behemoths. These fourteen original essays examine the fascinating world of music scenes, those largely inconspicuous sites where clusters of musicians, producers, and fans explore their common musical tastes and distinctive lifestyle choices. Although most music scenes come and go with hardly a trace, they nevertheless give immense satisfaction to their participants, and a few - New York bop jazz, Merseybeat, Memphis rockabilly, London punk, Bronx hip-hop - achieve fame and spur musical innovations. To date, serious study of the scenes phenomenon has focused mainly on specific music scenes while paying less attention to recurrent dynamics of scene life, such as how individuals construct and negotiate scenes to the various activities. This volume remedies that neglect. The editors distinguish between three types of scenes - local, translocal, and virtual - which provide the organizing framework for the essays. Aspects of local scenes, which are confined to specific areas, are explored through essays on Chicago blues, rave, karaoke, teen pop, and salsa. The section on translocal scenes, which involve the coming together of scattered local scenes around a particular type of music and lifestyle, includes articles on Riot Grrrls, goths, art music, and anarcho-punk. Aspects of virtual scenes, in which fans

communicate via the internet, are illustrated using alternative country, the Canterbury sound, postrock, and Kate Bush fans. Also included is an essay that shows how the social conditions in places where jazz was made influenced that music's development.

3060 Herbert Beas, Randall N. Bills, Hugh Browne, Loren L. Coleman, Dan Grendell, Chris Hartford, 2010-01-31

Deathtrap Dungeon Ian Livingstone, 2009 Baron Sukumvit's devilish labyrinth of Fang is riddled with fiendish traps and bloodthirsty monsters.

**Achtung-Panzer!** Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

*The Superhero Book* Gina Misiroglu, 2012-04-01

Appealing to the casual comic book reader as well as the hardcore graphic novel fan, this ultimate AtoZ compendium describes everyone's favorite participants in the eternal battle between good and evil. With nearly 200 entries examining more than 1,000 heroes, icons and their place in popular culture, it is the first comprehensive profile of superheroes across all media, following their path from comic book stardom to radio, television, movies, and novels. The best-loved and most historically significant superheroes—mainstream and counterculture, famous and forgotten, best and worst—are presented with numerous full-color illustrations, including dozens of classic comic covers. Each significant era of the superhero is explored—from the Golden Age of the 1930s, 1940s, and 1950s through the Modern Age—providing a unique perspective of the role of the hero over the course of the 20th century and beyond. This latest edition has been revised to reflect updates on existing characters, coverage of new characters, and recent films and media trends in the last several years.

### **Art of He-Man and the Masters of the Universe**

Various, 2015-04-28 In 1983, the world was introduced to He-Man and the Masters of the Universe. What followed was a cultural sensation that changed the landscape of children's entertainment forever! Join Mattel and Dark Horse in this comprehensive retrospective chronicling He-Man's decades-long epic journey from toy, to television, to film, to a true pop culture phenomenon!

**GURPS Psionics** David L. Pulver, 2003-05 -- Adds

many new mental powers to GURPS...lets players create more powerful characters. -- By one of the GURPS system's most popular authors.

*FLAMES OF FREEDOM Grim & Perilous RPG* Richard Iorio, Daniel D. Fox, 2021-09-28 *FLAMES OF FREEDOM* is an American Gothic horror tabletop role-playing game, based on the award-winning *ZWEIHÄNDER* RPG. It is the dawn of the American Revolutionary War of 1776. A tangled web of conspiracy spans North America. It does not matter what your creed, color, culture, faith or gender is—all stand together in the war for survival. Every Rebel patriot holds Thomas Paine's *Common Sense* aloft as they take up arms against the British Empire. The city of Boston is occupied by the Red Coats, surrounded by Rebel militias. But as the revolution has begun, something far more mysterious stirs. Agents of the occult entreat both the Continental Army and British Empire. Freemasons conspire in the City of Brotherly Love. Maryland is in the throes of a witch hunt by the Knights Templar. Amid the chaos, other grim fairy tales have emerged. Ghouls have been tunneling beneath Boston. There are sightings of witches in the Great Dismal Swamp. Indigenous sachem speak of devils who walk among the living. The Leeds Devil haunts the Pine Barrens of New Jersey. And worse still, a shadowy collective called "The Mandoag" seeks to consume all, Loyalists and Rebels alike. In this game, most people have either chosen to deny the supernatural or rationalize it away. A rare few accept it for what it is to act. You are among those heroes and destined for greatness... or death. This alternative history game includes most

of what you need to play: a player's handbook, a game master's guide, a bestiary, and an introductory adventure set in Boston. All that's left are a few friends, pencils and a handful of dice. FLAMES OF FREEDOM is an American Gothic horror tabletop role-playing game, based on the award-winning ZWEIHÄNDER RPG.□

**Slayer** David Guymer,2016-08

**Global Baby Girls** The Global Fund for Children,2013-02-01 Celebrate baby girls everywhere! In the tradition of best-selling GLOBAL BABIES, GLOBAL BABY GIRLS shines a spotlight on girls from around the world, celebrating their strength, diversity, and potential. Babies love to look at babies and this bright collection of photos is a ticket to an around-the-world journey. From Peru to China, Russia to Mali, this board book features captivating photographs of curious, joyful, and adventurous baby girls from fifteen different cultures. The bright and bold pictures paired with simple text share a powerful message: no matter where they are born, baby girls can grow up to change the world. A perfect baby shower gift or first book for the toddler in your life. Part of the proceeds from this book's sales will be donated to the Global Fund for Children to support innovative community-based organizations that provide opportunities for girls to grow, thrive, and be strong.

Junta from Brisvegas Josiah Navarro,2021-10  
Josiah Navarro's Junta artwork including contributions from 130+ artists from all over the world.

### **Little Runner of the Longhouse** Betty

Baker, 1989-01-15 A little Iroquois boy, following the bigger boys' New Years custom, offers to sell his younger brother to his mother for maple sugar.

*Clash of Magic* June Leung, 2022-02-27

**Adventure Kartel** Ashley Wood, 2014-10-28 This gorgeously oversized hardcover from the creators of Lore presents the comics, posters, conceptual designs, sketches, and other beautifully rendered miscellany involving Tommy Mission and his Adventure Kartel in their battles with Zomb MD and his undead minions. Ashley Wood's artistry is available to all on a grand 11 x 17 format!
