Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Hero High, Revised Edition Lucien Soulbán,Christopher McGlothlin,Jon Leitheusser,Steve Kenson,2017-05-23 Hero High was one of the most popular and sought after books in the history of Mutants & Masterminds--and now it's returned for the game's Third Edition! The book examines the genre of teen heroes (and villains), provides players and GMs with all the information they need to create characters and run games featuring teenaged heroes, and includes pages and pages of plot ideas and story hooks. Finally, Hero High includes information on the Claremont Academy, a private school for the gifted, and introduces a team of eight playable heroes--and their evil counterparts from a rival school known as the Elysian Academy. This Revised Edition updates and expands the original, making Hero High a must for any Third Edition Mutants & Masterminds campaign.

BattleTech: Hour of the Wolf Blaine Lee Pardoe,2021-01-01 MORE THAN A CENTURY IN THE MAKING... Since the Clan Invasion of 3050 ended in failure, there are those who have not forgotten Nicholas Kerensky's ultimate goal: The conquering of Terra, and the rise of one Clan above all others...to become the ilClan, and rule over both the rest of the Clans and the Inner Sphere...regardless of what the Great Houses may say about it... THE BATTLE THAT WILL RESHAPE THE INNER SPHERE BEGINS... Now, in 3151, two Clans make the final jump into the shattered remains of the Republic of the Sphere. Their target: the cradle of humankind, and the ultimate symbol of the Inner Sphere...Terra. But Clans Jade Falcon and Wolf will face a powerful, tenacious enemy in the remaining forces of the Republic, led by their resurrected leader, Devlin Stone. The impending battle will engulf the entire planet, and when it is over, only one shall stand supreme...

Sissy Dreams: From Boyfriend to Girlfriend Paul Zante, Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

Affective Health and Masculinities in South Africa Hans Reihling,2020-04-03 Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

Duty and Desire Book Club Edition Anju Gattani,2021-01-27 To uphold family honor and tradition, Sheetal Prasad is forced to forsake the man she loves and marry playboy millionaire Rakesh Dhanraj while the citizens of Raigun, India, watch in envy. On her wedding night, however, Sheetal quickly learns that the stranger she married is as cold as the marble floors of the Dhanraj mansion. Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage,

Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.
