BattleTech: Fall From Glory Randall N.

Bills,2021-03-19 FLIGHT INTO THE UNKNOWN... 100 million dead. 500 million wounded. One billion homeless. The worst war in human history is over—and has left the Star League shattered. Jealousy and infighting from the five Great House Lords over who will be the next First Lord has the entire Inner Sphere already teetering on the brink of all-out conflict again. Against this grim backdrop, Aleksandr Kerensky, commanding general of the Star League Defense Force, faces a terrible choice. Stay, and see the mightiest military ever known subsumed into the Great Houses, lighting a conflagration that may burn even brighter than the terrible Amaris Coup. Or do the unthinkable... To save the Inner Sphere, Aleksander—along with his sons, Nicholas and Andery—must leave it behind. He marshals the largest fleet ever assembled to carry millions of people on thousands of JumpShips to head into the unknown. Exodus! But though the Great General strives to make a fresh start for his people far from the Inner Sphere, old habits and allegiances are difficult to leave behind. Soon the Kerenskys and their followers face threats both external and internal as they search the endless black for a new world upon which they can forge a Star League-in-Exile...or die trying.

Twelve Years a Slave Solomon Northup, 2024-01-04
Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is

thought that he struggled to cope with family life after being freed.
