Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Overcoming School Refusal Joanne Garfi,2018-01-31 School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

Sissy Dreams: From Boyfriend to Girlfriend Paul Zante, Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

Battletech Field Manual FASA Corporation,1997-05 The Free Worlds League (FWL) field manual provides an extensive survey of House Marik's Free Worlds League, one of the major Inner Sphere military powers. The manual includes a full military history of the rebellion-riddled confederation, from the Succession Wars to the Andurien Civil War and beyond, and profiles of every League regiment, including the elite Marik Guard and the chivalrous Knights of the Inner Sphere. Also included are color renderings of FWL uniforms and insignia and special rules for new, exclusive League weapons and BattleMechs.

Super NES Works Jeremy Parish,2021-12 Nintendo's Sweet 16! Following the worldwide success of the Nintendo Entertainment System and the home video game industry's overall shift toward a new generation of more powerful hardware, a successor to the NES seemed inevitable. In August 1991, Nintendo brought that successor-the Super Nintendo Entertainment System, or Super NES-to America, an in the process launched one of the most beloved consoles of all time. Super NES Works Vol. I looks back at the early days of the Super NES in the U.S., with comprehensive retrospectives of both the console and all 31 games to ship for it through the end of the year. Each entry is accompanied with sidebars, supplementary features, photos of U.S. packaging, and crisp high-resolution direct-feed screenshots. Super NES Works Vol. I also includes an overview of Japanese

releases for Super Famicom through the end of 1991, a comprehensive timeline of events leading up to the system's launch, and more! It's the definitive 30th anniversary retrospective of how one of the greatest consoles ever got its start. Based on the YouTube video series Super NES Works (aka Mode Seven).
