The Aesthetics of the Oppressed Augusto Boal, 2006-04-18 Augusto Boal's workshops and theatre exercises are renowned throughout the world for their life-changing effects. At last this major director, practitioner, and author of many books on community theatre speaks out about the subjects most important to him – the practical work he does with diverse communities, the effects of globalization, and the creative possibilities for all of us.

Hollywood North Michael Libling, 2020-07-14 “Libling’s assured, quietly menacing debut [is] based on his World Fantasy Award-nominated novella of the same title. . . . Fans of *Stand by Me* and the like will find much to enjoy.” —Publishers Weekly It’s the 1960s, and Gus Berry is coming of age in Trenton, a small town on the north shore of Lake Ontario. The place isn’t known for much—unless you count the menacing stray dogs, plant explosions, plane collisions, and regular drownings. The adults seem to take it all in stride, but Gus can’t shake the feeling of impending doom. His friend Annie Barker doesn’t share Gus’s dark thoughts; she believes in things. So Gus goes about his days, surviving school, trying to live up to his widowed mother’s expectations, and growing increasingly obsessed with movies and TV shows. Indeed, he scripts his life to make it way more exciting and adventurous than it actually is. Gus is clearly a boy who wants things, which makes Jack Levin the perfect friend. He’s a local hero famous for finding stuff: a message in a bottle, a meteorite, a long-lost wedding ring. And when Jack makes his most mysterious discovery yet, Gus and Annie are drawn with him into an investigation of Trenton’s past. Guided by their curiosity, they soon uncover a malignant darkness behind the town’s senseless tragedies. In *Hollywood North*, World Fantasy Award-nominated author Michael Libling “spins a tale of movies and memories, nightmares and nostalgia, with such a frightening secret at its core, that you’ll understand why, even though you can go home again, you might end up wishing you didn’t” (Ian Rogers, author of *Every House Is Haunted*). “[A] fine first novel . . . Bradbury might have sketched out this mode in the darker parts of *Dandelion Wine* and the entirety of *Something Wicked This Way Comes*, but contemporary authors such as Libling are showing us refinements of sensibility and sense of wonder that the old Waukeganian never dreamed of.” —Locus

The Library Screen Scene Renee Hobbs, Liz Deslauriers, Pam Steager, 2019 In the past two decades, several U.S. states have explored ways to mainstream media literacy in school curriculum. However one of the best and most accessible places to learn this necessary skill has not been the traditional classroom but rather the library. In an increasing number of school, public, and academic libraries, shared media experiences such as film screening, learning to computer animate, and video editing promote community and a sense of civic engagement. *The Library Screen Scene* reveals five core practices used by librarians who work with film and media: viewing, creating, learning, collecting, and connecting. With examples from more than 170 libraries throughout the United States, the book shows how film and media literacy education programs, library services, and media collections teach patrons to critically analyze moving image media, uniting generations, cultures, and communities in the process.

Enrique's Journey Sonia Nazario, 2007-01-02 An astonishing story that puts a human face on the ongoing debate about immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more—the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject. *Enrique's Journey* recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: “This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one.”

Praise for Enrique's Journey "Magnificent . . . Enrique's Journey is about love. It's about family. It's about home."—The Washington Post Book World "[A] searing report from the immigration frontlines . . . as harrowing as it is heartbreaking."—People (four stars) "Stunning . . . As an adventure narrative alone, Enrique's Journey is a worthy read. . . . Nazario's impressive piece of reporting [turns] the current immigration controversy from a political story into a personal one."—Entertainment Weekly "Gripping and harrowing . . . a story begging to be told."—The Christian Science Monitor "[A] prodigious feat of reporting . . . [Sonia Nazario is] amazingly thorough and intrepid."—Newsday

The Seasons of a Woman's Life Daniel J. Levinson, 2011-10-05 Firmly grounded in scientific research, this book reveals that women follow a predictable developmental course through adulthood. Work and marriage relationships, personal crisis, emotional states, and behavior can all

be related to this grand pattern. But in the case of women, the situation is made far more complicated by gender biases.

Practical Grammar David Riley, Ceri Jones, John Hughes, 2010 Each level of Practical Grammar has 100 units, divided into modules of five units. Each module examines a particular area of grammar. The grammar is set in short, everyday conversations or texts, showing the language in natural situations which students will find engaging and can relate to. Students then examine the form, meaning and use of the language before practicing it in a variety of activity types. A Review section concludes each module and regular tests check students' progress. Each level comes with two audio CDs and a pin code which allows access to MyPG for extensive additional online practice for use at home or in self-access centres. * Real language in natural situations: exposes students to grammar at work * Listening and pronunciation: two audio CDs provide listen and check support and key pronunciation of the grammar items. * Tips: highlight common errors and characteristics of English Grammar * Regular review and progress tests: give students the opportunity to check their learning

That Winter Pamela Gillilan, 1986 Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem *Come Away* after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her first collection *That Winter* (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

Aftershock David Matas, 2005-09-03 Verbal attacks against Israel for human rights violations have turned into physical attacks against the Jewish community worldwide. How has that happened? This book attempts to explain the phenomenon. Anti-Zionists, whose primary goal is destruction of the State of Israel, use accusations of the worst forms of human rights violations against Israel to delegitimize the state. These accusations criminalize the Jewish population worldwide for actual or presumed support of the State of Israel. The contemporary international human rights system and the existence of the State of Israel are twin legacies of the Holocaust. The failure of the human rights system to prevent attacks on Israel and the Jews is an aftershock of the Holocaust.

Ghostbuster's Daughter Violet Ramis Stiel, 2018-06-05 From the daughter of comedy legend Harold Ramis (and featuring a Foreword by Seth Rogen) comes a hilarious and heartwarming account of his life, work, and legacy. Most of us know Harold Ramis as the writer, director, and actor who brought warmth and humor to the big screen in classics like *Animal House*, *Caddyshack*, *Ghostbusters*, *National Lampoon's Vacation*, and *Groundhog Day*. To his daughter, Violet, he was best known as an amazing father, confidant, and friend. In *Ghostbuster's Daughter*, Violet reflects on the life and legacy of her father, providing readers with an extraordinarily candid and insightful look into the man who helped shape modern American comedy. Funny, endearing, and vulnerable, *Ghostbuster's Daughter* takes readers into the private life of the American comedy icon, from his humble roots in Chicago and ascension into Hollywood stardom to his personal philosophies on life, love, and filmmaking. While the book offers a comprehensive history of her father's career, *Ghostbuster's Daughter* also provides a profound homage to their special father-daughter relationship. Violet weaves anecdotes about her father's unique and devoted parenting style among stories of her own unconventional upbringing, creating a vivid and dynamic portrait of the man behind the movies. A distinctly offbeat memoir as well as a charming family story for the ages, *Ghostbuster's Daughter* is an intimate look at one of America's preeminent comedy filmmakers.

Racism and Human Rights Ralph Walden, 2004-06-01 The topical and thought-provoking articles in this volume have been contributed by leading authorities and discuss some of the key issues currently facing the human rights community. The issues discussed include, among others, human rights and the Security Council, slavery, racism on the internet, and religion and human

rights.

The Godwulf Manuscript Robert B. Parker, 2009-09-30 New York Times bestselling author of the Spenser series of crime thrillers—Book 1 in the series “The toughest, funniest, wisest, private eye in the field these days.”—Houston Chronicle Spenser earned his degree in the school of hard knocks, so he is ready when a Boston university hires him to recover a rare, stolen manuscript. He is hardly surprised that his only clue is a radical student with four bullets in his chest. The cops are ready to throw the book at the pretty blond coed whose prints are all over the murder weapon but Spenser knows there are no easy answers. He tackles some very heavy homework and knows that if he doesn't finish his assignment soon, he could end up marked “D”—for dead.
