Affective Health and Masculinities in South Africa Hans Reihling, 2020-04-03 Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three

male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

Affinity: Chaos Springs_Halo,2021-03-05 ***** Grey, elemental affinity, zero The Elder announced the result loudly On hearing this, it was like a bolt of lightning struck Grey, he stood there dumbfounded and just stared at the Elder. Shocked voices could be heard from the people and there was some which were also filled with scorn. Grey stood dazed amidst all the noises without any reactions. One word was constantly reverberating in his head, 'How?'. 'Why, why did this happen to me?' Grey asked himself over and over again ***** Unbeknownst to Grey, something greater lies in wait in his body.... ***** Check out the book, leave a review after reading, and also your powerstones. Hope you enjoy this, and Thanks for reading ^_^ P.S: When I started this

book I had zero writing experience, so the first chapters aren't that great, although, my writing quality has improved over time. Also, English isn't my first language, so there are some instances where my choice of words are not good enough for what I'm trying to portray. A heads up, the book will be using a medieval setting. My world building is not the best, but it gets better over time, so bear with me on the early chapters! P.S: Cover art not mine I just edited it. If you're the owner and want me to take it down you can notify me.
