My Book of Beautiful Oops! Barney Saltzberg,2017-05-30 Every mistake is an opportunity to make something beautiful. This is the central idea of Beautiful Oops!, Barney Saltzberg's beloved bestseller--and now My Book of Beautiful Oops!, an interactive journal for young artists, takes that principle into unexpected new directions. A hands-on journal that's meant to be personalized--drawn in, painted on, torn up, smudged, or otherwise artistically wrecked--My Book of Beautiful Oops! is filled with folded, crumpled, die-cut, and lift-the-flap pages that will challenge the reader's sense of play. The friendly green alligator from the first book prompts the reader: Bend a page. Decorate a smudge. Play with splats and spills. Even complete a poem that was accidentally ripped in half. My Beautiful Book of Oops! champions imagination, play, and the courage to express oneself. It's about self-forgiveness, about turning off that inner critic that clamors for perfection. And it's about freedom--the freedom to be creative and follow your curiosity wherever it goes. That's a lesson to celebrate.

The Restoration of Engravings, Drawings, Books, and Other Works on Paper Max Schweidler,2006 Ever since its original publication in Germany in 1938, Max Schweidler's Die Instandetzung von Kupferstichen, Zeichnungen, Buchern usw has been recognized as a seminal modern text on the conservation and restoration of works on paper. To address what he saw as a woeful dearth of relevant literature and in order to assist those who have 'set themselves the goal of preserving cultural treasures, ' the noted German restorer composed a thorough technical manual covering a wide range of specific techniques, including detailed instructions on how to execute structural repairs and alterations that, if skilfully done, can be virtually undetectable. By the mid-twentieth century, curators and conservators of graphic arts, discovering a nearly invisible repair in an old master print or drawing, might comment that the object had been 'Schweidlerized.' This volume, based on the authoritative revised German edition of 1949, makes Schweidler's work available in English for the first time, in a meticulously edited and annotated critical edition. The editor's introduction places the work in its historical context and probes the philosophical issues the book raises, while some two hundred annotati
