The Devotion and Promotion of Stigmatics in Europe, c. 1800–1950 Tine Van Osselaer, Andrea Graus, Leonardo Rossi, Kristof Smeyers, 2020-10-12 In the nineteenth century a new type of mystic emerged in Catholic Europe. While cases of stigmatisation had been reported since the thirteenth century, this era witnessed the development of the 'stigmatic': young women who attracted widespread interest thanks to the appearance of physical stigmata. To understand the popularity of these stigmatics we need to regard them as the 'saints' and religious 'celebrities' of their time. With their 'miraculous' bodies, they fit contemporary popular ideas (if not necessarily those of the Church) of what sanctity was. As knowledge about them spread via modern media and their fame became marketable, they developed into religious 'celebrities'.

Tim Burton's The Nightmare Before Christmas Tim Burton, 2013-09-17 Celebrate 20 years of nightmares with this picturebook version of the classic film, written and drawn by Tim Burton and now featuring word-for-word narration by Christopher Lee! In this beloved picture book that could only come from the visionary mind of author and illustrator TIM BURTON, we meet Jack Skellington - a well-intentioned inhabitant of Halloweenland. Jack is bored of ""the scaring, the terror, the fright....tired of being something that goes bump in the night"". And so, in an effort to bring joy to his town, Jack kidnaps Santa and takes his place as the jolly old elf. But instead of bringing joy to the world Jack, who is a little more than a grinning skeleton, brings fear by delivering creepy toys and riding a sleigh carried by skeletal reindeer. Only through a number of things going horribly wrong does Jack learn the true meaning of Christmas.

Spaces and Identities in Border Regions Christian Wille, Rachel Reckinger, Sonja Kmec, Markus Hesse, 2015-11-30 Spatial and identity research operates with differentiations and

relations. These are particularly useful heuristic tools when examining border regions where social and geopolitical demarcations diverge. Applying this approach, the authors of this volume investigate spatial and identity constructions in cross-border contexts as they appear in everyday, institutional and media practices. The results are discussed with a keen eye for obliquely aligned spaces and identities and relinked to governmental issues of normalization and subjectivation. The studies base upon empirical surveys conducted in Germany, France, Belgium and Luxembourg.

Slavery and Social Death Orlando Patterson, 2018-10-15 In a work of prodigious scholarship and enormous breadth, which draws on the tribal, ancient, premodern, and modern worlds, Orlando Patterson discusses the internal dynamics of slavery in sixty-six societies over time. These include Greece and Rome, medieval Europe, China, Korea, the Islamic kingdoms, Africa, the Caribbean islands, and the American South.

Tim Burton Tim Burton, 2005 Collected interviews with the eclectic director of Edward Scissorhands, Beetlejuice, and Ed Wood

The Reformed Doctrine of Predestination Loraine Boettner, 2011-07-01 One of the 20th-century's most reasoned explanations of the sovereignty of God and the Reformed interpretation of salvation. Whoever really wants to know what Calvinism teaches cannot do better than to read this book from cover to cover.--United Presbyterian magazine.

Melancholy Death of Oyster Boy, The-Holiday Ed. Tim Burton, 2002-10-22 From breathtaking stop-action animation to bittersweet modern fairy tales, filmmaker Tim Burton has become known for his unique visual brilliance -- witty and macabre at once. Now he gives birth to a cast of gruesomely sympathetic children -- misunderstood outcasts who struggle to find love and belonging in their cruel, cruel worlds. His lovingly lurid illustrations evoke both the sweetness and the tragedy

of these dark yet simple beings -- hopeful, hapless heroes who appeal to the ugly outsider in all of us, and let us laugh at a world we have long left behind (mostly anyway).

Myth and the Movies Stuart Voytilla, 1999 Voytilla takes the mythic structure developed by Christopher Vogler in *The Writer's Journey* and applies this idea to 50 classic motion pictures. 100 original cards with mythic icons.

Phenomenology of Eros Jonna Bornemark, Marcia Sá Cavalcante Schuback, 2012

Burials, Texts and Rituals Brigitta Hauser-Schäublin, I Wayan Ardika, 2008 The villages on Bali & rsquo;s north-east coast have a long history. Archaeological findings have shown that the coastal settlements of Tejakula District enjoyed trading relations with India as long as 2000 years ago or more. Royal decrees dating from the 10th to the 12th century, inscribed on copper tablets and preserved in the local villages as part of their religious heritage, bear witness to the fact that, over a period of over 1000 years, these played a major role as harbour and trading centres in the transmaritime trade between India and (probably) the Spice Islands. At the same time the inscriptions attest to the complexity in those days of Balinese society, with a hierarchical social organisation headed by a king who resided in the interior precisely where, nobody knows. The interior was connected to the prosperous coastal settlements through a network of trade and ritual.

The questions that faced the German-Balinese research team were first: Was there anything left over of this evidently glorious past? And second: Would our professional anthropological and archaeological research work be able to throw any more light on the vibrant past of these villages? This book is an attempt to answer both these and further questions on Bali & rsquo;s coastal settlements, their history and culture.

Travels in central Asia Ármin Vámbéry,1864

The Jews and Moors in Spain Joseph Krauskopf,1886 This volume is a reprint of newspaper reports of a series of lectures delivered by the author from the pulpit of Congregation B'nai Jehudah, Kansas City, Mo., during the Fall and Winter of 1885-1886. The lectures were prepared to fulfill the requirements of popular discourses, and designed to convey information upon a highly important epoch of the world's history, that is almost neglected in English literature. The thought of publishing

these lectures in book form was utterly foreign to the author throughout their preparation, until an urgent solicitation from very many persons, both Jews and Gentiles, in all parts of this country, whose interest in these lectures was aroused by their wide-spread republication by the Press, made it a duty.--Goodreads.com.

The studies focus on a variety of subjects pertaining to the history, religion and culture of Judaism - and, to a lesser extent, of Christianity - from late antiquity and the Middle Ages to the modern era.

100 Greatest American and British Animated Films Thomas S. Hischak, 2018-04-20

Animation has been a staple of the filmmaking process since the early days of cinema. Animated shorts had been produced for decades, but not until 1937 did a major studio venture into animated features when Walt Disney produced *Snow White and the Seven Dwarfs*. Of the hundreds of animated feature films made since, many have proven their importance over the years while also entertaining generations of audiences. There are also many recent animated movies that promise to become classics in the field. In *100 Greatest American British Animated Films*, Thomas S. Hischak looks at the most innovative, influential, and entertaining features that have been produced since

the late 1930s—from traditional hand-drawn works and stop-motion films to computer-generated wonders. These movies have been selected not simply because of their popularity or critical acceptance but for their importance. Entries in this volume contain plot information production history critical reaction commentary on the film's cinematic quality a discussion of the film's influence voice casts production credits songs sequels, spin-offs, Broadway versions, and television adaptations awards and nominations Each movie is also discussed in the context of its original release as well as the ways in which the film has lived on in the years since.
