A Court of Silver Flames Sarah J. Maas,2021-02-16 Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

**Long May She Reign** Rhiannon Thomas,2017-02-21 The Girl of Fire and Thorns meets The Queen of the Tearling in this thrilling fantasy standalone about one girl's unexpected rise to power. Freya was never meant to be queen. Twenty-third in line to the throne, she never dreamed of a life in the palace, and would much rather research in her laboratory than participate in the intrigues of the court. However, when an extravagant banquet turns deadly and the king and those closest to him are poisoned, Freya suddenly finds herself on the throne. She may have escaped the massacre, but she is far from safe. The nobles don't respect her, her councillors want to control her, and with the mystery of who killed the king still

unsolved, she knows that a single mistake could cost her the kingdom—and her life. Freya is determined to survive, and that means uncovering the murderers herself. Until then, she can't trust anyone. Not her advisers. Not the king's dashing and enigmatic illegitimate son. Not even her own father, who always wanted the best for her but also wanted more power for himself. As Freya's enemies close in and her loyalties are tested, she must decide if she is ready to rule and, if so, how far she is willing to go to keep the crown.
