This Is Not a T-Shirt Bobby Hundreds, 2019-06-25 The story of The Hundreds and the precepts that made it an iconic streetwear brand by Bobby Hundreds himself Streetwear occupies that rarefied space where genuine cool coexists with big business; where a star designer might work concurrently with Nike, a tattoo artist, Louis Vuitton, and a skateboard company. It's the ubiquitous style of dress comprising hoodies, sneakers, and T-shirts. In the beginning, a few brands defined this style; fewer still survived as streetwear went mainstream. They are the OGs, the "heritage brands." The Hundreds is one of those persevering companies, and Bobby Hundreds is at the center of it all. The creative force behind the brand, Bobby Kim, a.k.a. Bobby Hundreds, has emerged as a prominent face and voice in streetwear. In telling the story of his formative years, he reminds us that The Hundreds was started by outsiders; and this is truly the story of streetwear culture. In This Is Not a T-Shirt, Bobby Hundreds cements his spot as a champion of an industry he helped create and tells the story of The Hundreds—with anecdotes ranging from his Southern California, punk-DIY-tinged youth to the brand's explosive success. Both an inspiring memoir and an expert assessment of the history and future of streetwear, this is the tale of Bobby's commitment to his creative vision and to building a real community.

**Writing Is Designing** Michael J. Metts, Andy Welfle, 2020-01-14 Without words, apps would be an unusable jumble of shapes and icons, while voice interfaces and chatbots wouldn't even exist. Words make software human-centered, and require just as much thought as the branding and code. This book will show you how to give your users clarity, test your words, and collaborate with your team. You'll see that writing is designing.

**Every Day I Fight** Stuart Scott, Larry Platt, 2015-03-10 "When you die, it does not mean that you lose to cancer. You beat cancer by how you live, why you live, and the manner in which you live." – Stuart Scott The fearless,

intimate, and inspiring story behind ESPN anchor Stuart Scott's unrelenting fight against cancer, with a foreword by Robin Roberts. Shortly before he passed away, on January 4, 2015, Stuart Scott completed work on this memoir. It was both a labor of love and a love letter to life itself. Not only did Stuart relate his personal story—his childhood in North Carolina, his supportive family, his athletic escapades, his on-the-job training as a fledgling sportscaster, his being hired and eventual triumphs at ESPN—he shared his intimate struggles to keep his story going. Struck by appendiceal cancer in 2007, Stuart battled this rare disease with an unimaginable tenacity and vigor. Countless surgeries, enervating chemotherapies, endless shuttling from home to hospital to office and back—Stuart continued defying fate, pushing himself through exercises and workout routines that kept him strong. He wanted to be there for his teenage daughters, Sydni and Taelor, not simply as their dad, but as an immutable example of determination and courage. *Every Day I Fight* is a saga of love, an inspiration to us all.

The Wealth Creator's Playbook John Christianson, 2019-03-22 An advisor to many of today's most successful wealth creators explains how to align your values with your wealth, including the ways in which it is earned, managed, and spent, to maximize both wealth and personal fulfillment. Money is something most people fantasize about: if only financial independence became a reality, then life would be easier and more fulfilling. Wealth creators soon discover that while money provides incredible opportunities, it can also bring unexpected consequences: isolation, relationship challenges, and a lack of purpose that are often by-products of achieving financial success. Wealth is a gift that involves practical, psychological, and spiritual stewardship. Wealth creators desperately need advice they can trust to maximize, not just manage, the gift of wealth. Drawing on wisdom from John Christianson's 25 years of experience advising some of the most successful wealth creators in the country, this book explores money emotional intelligence, roadblocks around money and relationships, kids and money, generosity, identity, and aligning your values with your money. *The Wealth Creator's Playbook* is the go-to guide for individuals who are chasing financial success and the richness of a deeply fulfilling life.

Saved from Success Dale Partridge, 2018-04-17 What if the world's view of success is God's definition of failure? What if your beliefs about marriage, children, career, or money aren't based on God's values, but on those of a broken culture? When Dale Partridge's outwardly perfect life, marriage, and family were crumbling on the inside, he began questioning if culture's definition of success was something to seek after or be saved from. What he found challenged everything he believed about the good life and equipped him to rebuild an even better life based on God's timeless design. Filled with scripture and practical application, *Saved from Success* is the book millions of burned-out and bedraggled Christians have been waiting for.

**The Tao of Bill Murray** Gavin Edwards, R. Sikoryak, 2016-09-20 Perfect for the Bill Murray fan in all of us, this epic collection of "Bill Murray stories"—many reported for the first time here—distills a set of guiding principles out of his extraordinary ability to infuse the everyday with surprise, absurdity, and wonder. No one will ever believe you. New York Times bestselling author Gavin Edwards, like the rest of us, has always been fascinated with Bill Murray—in particular the beloved actor's adventures off-screen, which rival his filmography

for sheer entertainment value. Edwards traveled to the places where Murray has lived, worked, and partied, in search of the most outrageous and hilarious Bill Murray stories from the past four decades, many of which have never before been reported. Bill once paid a child five dollars to ride his bike into a swimming pool. The star convinced Harvard's JV women's basketball team to play with him in a private game of hoops. Many of these surreal encounters ended with Bill whispering, "No one will ever believe you" into a stranger's ear. But *The Tao of Bill Murray* is more than just a collection of wacky anecdotes. A sideways mix of comedy and philosophy, full of photo bombs, late-night party crashes, and movie-set antics, this is the perfect book for anyone who calls themselves a Bill Murray fan—which is to say, everyone. Praise for *The Tao of Bill Murray* "When confronted by life's challenges and opportunities, we should all be asking ourselves, 'What would Bill Murray do?' This book actually has the answers."—Jay Duplass, writer, director, actor, fan of Bill Murray "[Gavin Edwards] captures Murray's enigmatic, comic genius."—*The Washington Post* "Rib-tickling."—*Newsday* "If you are among the multitudes who have a Bill Murray story (viz: 'I was in the airport bar, and who sat down next to me but Bill Murray?'), *The Tao of Bill Murray* will speak to you."—*Elle* "Murray is an endless delight, and his knack for bons mots and non sequiturs will keep readers laughing before revealing an unexpectedly poignant vision for happiness. . . . A fun and revealing look behind the charm and mythos of Bill Murray that will only strengthen his legend."—*Kirkus Reviews* "This book is bursting with anecdotes that underline Murray's unconventional and fun-loving life. . . . Murray's fans are sure to savor [it] and walk away with a deeper appreciation of the actor and his work."—*Publishers Weekly* (starred review) "I just can't fathom how anyone could not like the man. He lives as much as possible by his own rules; this is a guy who doesn't buy round-trip airline tickets because he prefers to make decisions on the fly. That old question of the three people you'd most like to have dinner with? I'd pick Bill Murray and leave the other two chairs empty just to see who he pulls over to join us. . . . You will love *The Tao of Bill Murray*. Period."—*GeekDad* "A hilarious read—occasionally heartwarming, sometimes head-scratching. . . . Sure to please Murray fans."—*Library Journal*

*The Money and the Power* Sally Denton, Roger Morris, 2002-05-07 Las Vegas—the name evokes images of divorce and dice, gangsters and glitz. But beneath it all is a sordid history that is much more insidious and far-reaching than ever imagined. *The Money and the Power* is the most comprehensive look yet at Las Vegas and its breadth of influence. Based on five years of intensive research and interviewing, Sally Denton and Roger Morris reveal the city's historic network of links to Wall Street, international drug traffickers, and the CIA. In doing so, they expose the disturbing connections amongst politicians, businessmen, and the criminals that harness these illegal activities. Through this lucid and gripping indictment of Las Vegas, Morris and Denton uncover a national ethic of exploitation, violence, and greed, and provide a provocative reinterpretation of twentieth-century American history. Now this neon maelstrom of ruthlessness and greed stands to not as an aberrant "sin city," but as a natural outgrowth of the corruption and worship of money that have come to permeate American life.

*Big Girl in the Middle* Gabrielle Reece, Karen Karbo, 1998-06-16 The new superstars in sports are women, and pro beach volleyball player Gabrielle Reece is the hottest of them all. At six-foot-three, 170 pounds, Gabby Reece is

at once beautiful and brutish, feminine and rowdy, accessible and intimidating--a woman who is exploding female stereotypes and redefining our image of the female athlete. A young girl doesn't get many chances to exercise the character muscle via sports, whereas for young boys, it's part of their everyday lives. For girls, it's especially good for them to be forced to work as a team with other girls, to work together under every possible condition--winning, losing, tired, grumpy, happy. It forces them to deal with unpleasant, ungracious emotions and get over it. It forces girls to rely on each other. It gives them confidence in other girls, which ultimately gives them confidence in themselves. Everything a woman does has an emotional component. Paying attention to my emotional side without surrendering to it is one of the toughest parts of playing professional sports. I don't like this 'Fear of Being Big' thing because it feeds into the general female thing of wanting to be less--less powerful, less assertive, less demanding, less opinionated, less present, less big. From the Trade Paperback edition.
