Papertoy Monsters Brian Castleforte, 2010-12-29 A

breakthrough paper-folding book for kids—paper airplanes meet Origami meets Pokemon. Papertoys, the Internet phenomenon that's hot among graphic designers and illustrators around the world, now comes to kids in the coolest new book. Created and curated by Brian Castleforte, a graphic designer and papertoy pioneer who rounded up 25 of the hottest papertoy designers from around the world (Indonesia, Japan, Australia, Italy, Croatia, Chile, even Jackson, Tennessee), Papertoy Monsters offers 50 fiendishly original die-cut designs that are ready to pop out, fold, and glue. The book interleaves card stock with paper stock for a unique craft package; the graphics are colorful and hip, combining the edginess of anime with the goofy fun of Uglydolls and other collectibles. Plus each character comes with its own back-story. And the results are delicious: meet Pharaoh Thoth Amon, who once ruled Egypt but is now a mummy who practices dark magic in his sarcophagus. Or Zumbie the Zombie, who loves nothing more than a nice plate of brains and yams. NotSoScary, a little monster so useless at frightening people that he has to wear a scary mask. Yucky Chuck, the lunchbox creature born in the deepest depths of your school bag. Plus Zeke, the monster under your bed, Nom Nom, eater of cities, and Grumpy Gramps, the hairy grandpa monster with his very own moustache collection.

We Are Paper Toys: Print-Cut-Fold-Glue-Fun Louis

It's never too soon to start cutting, folding, pasting, and above all, having fun!

If Anything Happens I Love You Will McCormack, Michael

Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Windhall Ava Barry, 2021-03-02 A stunning literary thriller in which an investigative journalist in modern Los Angeles attempts to solve the Golden Age murder of a Hollywood starlet. 1940s Hollywood was an era of decadence and director Theodore Langley was its king. Paired with Eleanor Hayes as his lead actress, Theo ruled the Golden Age of Hollywood. That ended when Eleanor's mangled body was discovered in Theo's rose garden and he was charged with her murder. The case was thrown out before it went to trial and Theo fled L.A., leaving his crawling estate, Windhall, to fall into ruin. He hasn't been seen since. Decades later, investigative journalist Max Hailey, raised by his gran on stories of old Hollywood, is sure that if he could meet Theo, he could prove once and for all that the famed director killed his leading lady. When a copycat murder takes place near Windhall, the long reclusive Theo returns to L.A., and it seems Hailey finally has his chance. When Hailey gets his hands on Theo's long-missing journals, he reads about Eleanor's stalkers and her role in Theo's final film, *The Last Train to Avalon*, a film so controversial it was never released to the public. In the months leading up to her death, something had left her so terrified she stopped coming to work. The more Hailey learns about Avalon, the more convinced he becomes that the film could tell him who killed Eleanor and why she had to die. But the implications of Avalon reach far beyond Eleanor's murder, and Hailey must race to piece together the murders of the past and present before it's too late.

Dog Shaming Pascale Lemire, 2013-09-24 Based on the runaway web phenomenon (dogshamingdotcom), *Dog Shaming* features the most hilarious, most shameful, and never-before-seen doggie misdeeds. Our dogs are our best friends. They are always happy to see us. They comfort us in our times of need. They also eat our shoes, stain our carpets, and embarrass us in front of our guests. Dog owners everywhere have found their outlet in *Dog Shaming*, where they can confess their dogs' biggest (and often grossest!) sins, which turn out to be recognizably universal—complete with snapshots of ridiculously cute but shamed pups who don't seem capable of humping humans, pooping on pillows, or snagging steak straight from a grill. So share in the shaming and laugh through your frustration as *Dog Shaming* reminds us that unconditional love goes both ways.

Prince Neptune Cody R. Simpson, Prince Neptune, 2020-04-07 Jack Kerouac meets Arthur Rimbaud for the millennial generation. A debut poetry collection from LA-based Australian writer, singer, songwriter Cody Simpson who has penned hit songs and toured worldwide for the majority of his young life. Conjuring vivid imagery and drawing from the four elements: earth, air, fire, and water, *Prince Neptune* presents poems and prose on themes of life, love, fame, escapism, environmentalism, with an overarching narrative of nature as a nod to the author's passion for the earth

and the environment. Simpson's poetry combines themes of freedom and the ocean with the wisdom of an old soul.

I Adulted! Robb Pearlman, 2017-03-07 A fun, funny, yet practical gift book containing 100 removable stickers that congratulate supposed grown-ups on a job well done... or at least a job done. Despite official reports, members of Generation X and younger feel completely and totally ill-prepared to deal with anything. They still, as purportedly self-sufficient adults, look toward Baby Boomers and the Greatest Generation and think, How did they do that? So the easiest and best way to find comfort is to look not ahead at uncertainty (or, heaven forbid, around at the chaos currently surrounding them), but to the past to their simpler childhoods. The generation who championed the coloring book-as-relaxation trend grew up in a world in which they spent hours obsessing over, trading, and decorating with stickers. And it is with brightly colored stickers that they will finally find peace of mind. For a little while, at least. Filled with 100 full-color removable stickers that can be used to decorate journals, notebooks, or your lapel to proudly and publicly proclaim life's little victories, *I Adulted!* is the ideal nostalgic and practical book for anyone who feels a sense of accomplishment by making it through a day without calling their mother for help.
