**Creative Scarecrows** Marcianne Miller, 2004 From the traditional straw guy to a painted sheet-metal mermaid, these 30 scarecrows and their yard figure cousins are simply out of the ordinary—and that’s great news for the many crafters who compete in “Best Scarecrow” contests held at fairs and other venues throughout America. It’s easy to construct one of these wildly creative figures with the information and instruction contained in this whimsical, charming celebration of scarecrow art. Some are crafted from organic materials such as gourds and bamboo. Others use recycled items, including a “Tin Can Man” and a quirky woman made from old umbrellas. A few double as a planter, trellis, or address marker. Whether to scare away birds or attract attention to the garden, these make great additions to any outdoor space.

*Bats at the Library* Brian Lies, 2008-09-08 The Caldecott Honor winner and New York Times bestselling author of *Bats at the Beach* “pays homage to the pleasures to be found within libraries and books” (School Library Journal). Another inky evening’s here—the air is cool and calm and clear. Can it be true? Oh, can it be? Yes!—Bat Night at the library! Join the free-for-all fun at the public library with

these book-loving bats! Shape shadows on walls, frolic in the water fountain, and roam the book-filled halls until it's time for everyone, young and old, to settle down into the enchantment of story time. Brian Lies's joyful critters and their nocturnal celebration cast library visits in a new light. Even the youngest of readers will want to join the batty book-fest! "As with its predecessor, this book's richly detailed chiaroscuro paintings find considerable humor at the intersection where bat and human behavior meet. But the author/artist outdoes himself: the library-after-dark setting works a magic all its own, taking Lies and his audience to a an intensely personal place."—Publishers Weekly (starred review) "The rhymed narrative serves primarily as the vehicle for the appealing acrylic illustrations that teem with bats so charming they will even win over chiroptophobes."—Booklist "There is enough merriness here to keep the story bubbling . . . Pictures light-handedly capture the Cheshire Bat, Winnie the Bat and Little Red Riding Bat."—Kirkus Reviews

As the new kid in school and still reeling from the unexplained death of her brother Robbie, Marina O'Connell is only interested in one thing: leaving the past behind. *Mythical Me* Richella Parham, 2019-10-22 IVP Readers' Choice Award Do you ever find yourself stuck in the comparison trap? Speaker and author Richella Parham knows what this feels like. I couldn't break free from admiring one person's achievements, someone else's personality, another's skills, yet another's relationships. And don't get me started on how I looked at other people's appearances, she writes. I was haunted by the admirable attributes of other people, certain that I could never match their worthiness. No matter how well-intentioned the teaching or pithy the advice, I found that most of it didn't help me change my thoughts, feelings, or actions. While there are no easy answers, Parham has identified cultural and spiritual myths about others, God, and ourselves that keep us trapped. From there the journey is a spiritual one. We can pick up practices that help us walk in the freedom of Christ with confidence in ourselves. If you've ever suffered from tortured moments of comparison on Facebook, in the office, or in the hallway at church, you'll benefit from this fresh

perspective.

*Original Grin* Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons.

Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.
